## DANGEROUS 1945

It has been a dangerous year  
so far in Los Angeles city and  
county. Through the month of  
April more persons died of burns,  
drowning, poisoning and fire-  
arms than did in 1944, and there  
was nearly a 22 per cent in-  
crease in motor vehicle fatalities  
with 313 accidental deaths as  
compared with 257 last year.

## DOAK NEEDS YOU

Don't think that the Japs aren't fighting desperately — fanatically to stave off  
defeat. They will not surrender until our planes have demolished all of their capaci-  
ties for making war potentials! It is going to take a great number of planes to finish  
off this job — special types of planes designed and built for this type of war. Doak  
Aircraft has played an important part in the war to date building important parts—  
they have a still bigger job ahead and need your help to do it in a hurry. Investi-  
gate now — at once, the Doak way of helping to win the war.
