

## Tartar Town Officers Are Elected

At the recent general election of the citizens of Tartar Town, new officers for the next six months were elected. Interest ran high with voting for all offices being very close.

The race for mayor between Donnie Cook and Ralph George resulted in a tie. It was finally determined that both were to serve as co-mayors during the following term and share responsibilities for all town activities. Other official results were Vice Mayor Terry McIntire, Town Clerk Wanda Moore and City Treasurer Bill Jackson.

Following the meeting of the executive officers the following key commissioners were appointed: Commissioner of Foods Pat Stuttle, Commissioner of Publicity Myrna Fossum, Commissioner of Recreation Mary Ellen Crawford.

Tartar Town has been in continuous operation every Wednesday and Saturday evening in the Torrance Civic Auditorium since February. Interest among the youth of Torrance with this town's own operated and directed activity has remained remarkably high. The membership of Tartar Town is now over 400.

## Grandparents Welcome Infant

Little Suzanne Lee Likens, weighing 6 pounds 8½ ounces, was born at the Torrance Hospital last Thursday. Her mother is the former Ernestine Beck and her daddy is T/Sgt. L. Frank Likens, U. S. Army, a liaison officer, now stationed in the Philippines.

Mr. and Mrs. Charles Likens, 25029 Narbonne ave., are the paternal grandparents and Mr. and Mrs. Fred Beck, 25425 Western ave., Harbor City, the maternal grandparents.

ALBERT COAST

## Four Coast Boys Now in Armed Forces

Four sons of Mr. and Mrs. Clarence Coast, 736 Border ave., now are in the service of their country. It has been revealed, Albert Coast having entered the Army. He is stationed in Texas. Keith C. Coast is a gunner's mate, 3/c, in the U. S. Coast Guard and is on a troop transport operating in the European and Atlantic waters. His vessel is moving the first group of our fighting men from liberated Europe to the Pacific war zone.

Max Coast has been all over Europe in the Army and still is there. He is a corporal in armament maintenance, and has been in the Army for four years.

Beryle R. Coast, a corporal in the Army Air Forces, is in the

KEITH COAST

South Pacific getting ready to fight the Japs.

Mrs. Coast keeps a constant stream of mail going to the four boys, and hasn't missed a day since early 1941 when her daily letter writing to all of them started.

The Coast boys writing home said that this record cannot be beaten.

## AIRLINE MILEAGE JUMPS

The domestic airlines of the United States are now flying more than 525,000 miles daily compared with 304,445 in 1941.

## A WIRE GIRL

The vast wire defense system established in Europe by the United States Army, if strung out in a single strand, would circle the globe 35 times.

MAX COAST

## Boy Scouts To Get MacArthur Garden Medals

Backing up President Truman's appeal for more gardens, the nation's Boy Scouts are embarked in a program to raise a half million gardens this summer. As the war is now centered in the Pacific, home front attention is centered on the growing food crisis here and abroad.

The Boy Scouts of America with its membership of 1,916,637 boys and leaders, are furnishing a substantial part of the additional manpower needed by farmers and commercial producers.

The National Victory Garden Institute has obtained General MacArthur's interest and is offering on his behalf a General MacArthur Medal to those Scouts who do an outstanding job with their individual gardens. Those winning this honor will need to successfully cultivate, care for, harvest and put to good use a reasonable variety of products from gardens at least 400 square feet in size. The medal is for individual Scout gardens only. Scouts in a Troop or Patrol working together in a common garden plot will be eligible for the Green Thumb Certificate, which may be presented to all Scouts who produce food this year.

## Select Awards for Boy Scout Gardens

A General MacArthur Garden Medal (above) will go to a limited number of Boy Scouts in each community who do superior jobs in raising and harvesting a variety of produce in gardens of at least 400 square feet. It is provided by the National Victory Garden Institute. Boy Scouts throughout the nation are not only planting gardens but will also work on farms. The Green Thumb Certificate (below) will go to every Scout raising food and reporting it to his Local Boy Scout Council.

## Navy Man Will Address Torrance Rotary Members

Louis Villano, pharmacist mate, U. S. Navy, will speak on the subject, "Life Aboard a Submarine," tonight at Torrance Rotary Club. His book of the same title is about to be completed. He is 29 years of age and has served in the Navy for 11 years. His talk will be followed by questions and discussions, according to President Tom Adams.

**AIR DELIVERY**  
Six department stores have filed applications with the Civil Aeronautics Board for permission to operate airplane delivery service.

## Andersons to Vacation in Canyon Cabin

Vacation plans are well under way for Mr. and Mrs. Hans Anderson, 2358 W. 246th st., who will soon leave for their cabin at Silverado Canyon.

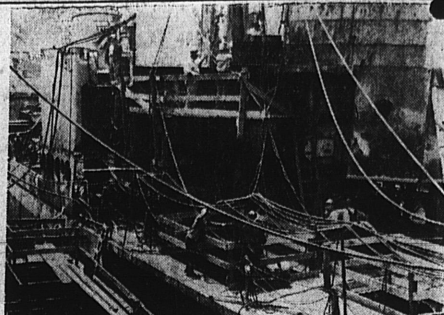

The vacation will be particularly welcomed by Mr. Anderson who has been ill at his home for over a month following an operation at a Long Beach hospital. He has now returned to his work at the San Pedro post office.

Mr. and Mrs. Anderson are still talking about the conference he had with their son, Lieut. Frank Anderson somewhere in the Pacific and their daughter, Mrs. Lee Bradley, Kingsville, Texas, but Mrs. Anderson still insists that it was a nationwide hook-up.

This is the way it all began. Mrs. Anderson was the honoree at a birthday party at the home of another son-in-law and daughter, Mr. and Mrs. Herbert Stuetz, 8745 Hobart blvd., Los Angeles. The birthday dinner party was progressing well when the telephone rang and Mrs. Anderson found herself talking to her son, Frank. Soon, the voice of her other daughter, Elizabeth, from Kingsville, Texas, came on the line and then she was really overjoyed.

The other members of the family also had an opportunity to talk to the absent members and as Mrs. Anderson said "It was really overjoyed."

Battered plates and bulkheads are being torn away on the U.S.S. Zellers, powerful Navy destroyer, at the U.S. Naval Drydocks, Terminal Island, as workmen start to rebuild portions damaged by the Kamikaze attack of a Jap plane. The Zellers, one of three ships being repaired in the largest of the three drydocks, requires constant work by more than 300 men, spending an estimated 229,000 man-hours before the ship goes back into action. Officials estimate that the cost will be approximately \$750,000. With 75,000 feet of electrical cable to be installed, the need for electricians looms as one of the most critical among the shortages of skilled workers in the fifteen repair yards in the harbor area. Fifteen thousand skilled workers are needed here for the vital ship repair job.

(Official U.S. Navy Photo.)

## Soldier Greeted By Twin Sons Not Seen Before

Cpl. Jack Kyle, U. S. Army, has arrived home for a furlough to visit his wife, the former Vivian Marsh, daughter of Mr. and Mrs. Luther Marsh, 1630 W. 250th st., Harbor City, and his twin sons, Gerry and Larry, who were born Sunday, May 25, 1944.

## Lomitan Visits Husband in Texas

Mrs. Warren Lang, 25926 Western ave., Harbor City, soon will leave for Camp Bliss, Texas, where she will visit her husband, who is receiving his basic training in anti-aircraft.

Their 18-month-old baby daughter, Susanne Isabel, will remain with her grandmother, Mrs. M. Lang, while her mother is away.
