HONEYMOONERS . . . Mr. and Mrs. Thomas Whitley, whose wedding at Foursquare church was attended by 200 guests. The bridegroom, a boatswain's mate, 2/c, had just returned from more than two and a half years Pacific duty with the Seabees. They will make their home in Torrance temporarily.

Torrance Foursquare Church was a setting for an impressive ceremony performed Sunday, August 20, when Miss Jacqueline Davis and Thomas Whitley, Jr., USN, C.B., exchanged wedding vows. Rev. Bernice Busse, sister of the bridegroom, read the rites in the presence of 200 wedding guests.

Given in marriage by E. P. Johnson, the bride was beautifully attired in white satin fashioned with long sleeves and train. Her lace-edged finger-tips of bridal illusion fell from a coronet of orange blossoms and she carried a bouquet of orchids, carnations and sweet peas fashioned in pilot wheel design.

Miss Thelma Johnson, as matron of honor, wore yellow lace and long gloves of the same material. Her flowers were Talisman roses and orchid sweet peas. The bridesmaids, Ethel Schimmick, Ruby Lewis, Irene McKanles, Edith McDermald and Mable Whitley, wore gowns fashioned alike of orchid lace with cap sleeves and matching long gloves. Their flowers were arm bouquets of pink sweet peas and yellow roses. Jean Whitley and Patsy Kinsey were flower girls in dainty pink frocks with blue love-knot trim. Richard Simmons was ring bearer. Kenneth Whitley was his brother's attendant.

George Busnell, Howard Busse, Herbert Stratton, Harold Whitley and Edward Busse ushered. Mrs. Edith Kinsey played the wedding marches and the accompaniment for Dale Reynolds and George Moore, who sang. She also furnished background music for a pretty candlelighting ceremony performed by Ruth Schimmick and Charlene Johnson.

A reception followed at Central Guild Hall and subsequently Mr. and Mrs. Whitley left for a honeymoon at Big Bear and Lake Henshaw and upon their return will make their home in Torrance.

Mrs. Whitley, a daughter of Mr. and Mrs. S. E. Davis of 1315 Crenshaw blvd. was graduated from Torrance high school. Her husband, whose parents are Mr. and Mrs. J. T. Whitley, of Gardena, was educated in Gardena schools.

Reconversion Speeded By Kiwanis Clubs
Seeking to speed reconversion and aid returning veterans, Kiwanis International today announced new far-reaching post-war objectives as the Kiwanis Club of Torrance considered ways and means of rendering greater community service in peacetime.

In a special message to 2,300 clubs throughout the United States and Canada, Hamilton Holt, Macon, Ga., president of the Kiwanis International, declared that 149,000 Kiwanians "will not shirk from the problems of reconversion that lie ahead."

Holt told President Truman and Prime Minister King of Canada in telegrams read to the local club that Kiwanis International would lend its wholehearted cooperation in meeting and solving the problems of post-war reconstruction.

"Since Dunkirk and Pearl Harbor," he said, "Kiwanians everywhere have been marshalled behind the allied war effort. These resources now will be directed toward the building of peace, unity and opportunity."

Ryan Daggett, president of the Kiwanis Club of Torrance, said that the Kiwanis International's post-war objectives had the unanimous endorsement of Kiwanians here. He revealed that the service organization's theme would be "Build for Peace—Unity—Opportunity."

The nine objectives follow:
1. Develop an understanding of the United Nations Charter in support of world peace.
2. Aid returning veterans.
3. Encourage sound programs of reconversion.
4. Strengthen democracy by personal acceptance of citizenship responsibilities.
5. Expand youth services to build character and citizenship.
6. Mobilize public opinion in support of individual enterprise and opportunity.
7. Conserve natural resources.
8. Further good will between Canada and the United States as an outstanding example of international cooperation.
9. Develop national unity through increased emphasis on human and spiritual values.

COUNCIL ACTION SELLING BUS LINE LEGAL—McCALL

Torrance City Council proceeded legally in selling the city bus line on July 24 to Charles F. Koors, in the opinion of City Attorney J. E. McCall, read Tuesday night.

McCall said that the "power to sell is equal to the power to acquire," and that as the bus line for which Koors is paying \$85,000 plus stock and equipment inventory is "personal property" and not real estate, its sale is not governed by Act 5203, as alleged by W. J. B. Hughes, local taxpayer, and Councilman N. H. Cucci.

"Act 5203 does not apply to the sale of the bus line," McCall's opinion read, declaring that the act refers only to water, gas and electrical plants and all annotations with reference to the act involve real property. The council voted to sell the line with Mayor W. H. Tolson, Councilmen C. M. Gilbert and J. E. Hitchcock supporting the motion and Councilmen Cucci and G. V. Powell opposing. At that time it was reported the line was formed by a vote of the council and could be sold in the same manner.

At the meeting on Aug. 17, Cucci forced a renewal of the vote on the issue and moved that the sale be referred to the people under the provisions of Act 5203. This motion lost by the same vote, but the renewed action of the council was declared to be the basis of a purported lawsuit to compel the council to proceed in accordance with Act 5203.

To test the act and its application to the sale of the bus line, copies of a "petition for writ of mandamus" were served on the council members Tuesday night, to be filed in Superior court 10 days after service at which time the court will issue an alternative writ as petitioned or an order to show cause why the writ should not be issued.

The petition named as defendants all members of the City Council, and declared their action was "illegal, fraudulent and in excess of the authority of said defendants."

The prayer of the document asks that "there may be issued against the said defendants an alternative writ of mandamus, returnable within some brief period, compelling defendants to proceed in accordance with law in the disposal of a public utility, if they intend to attempt to sell said bus lines and equipment, and to first determine that public necessity and interest demand such sale, and to then submit to the qualified voters of Torrance the proposition of selling said transportation system, in the manner provided in said 'Sale of Public Utilities Act.' Act 5203, Deering's General Laws, pages 1760-61, sections 1, 2, 3, 4, and 5, or to show cause why they should not so do."

Entenza & Granier are named as attorneys for Hughes on the document.

The council, by a 3 to 2 vote of the same members as voted to sell the lines, authorized McCall to prepare a defense of the suit.

Powell, while a defendant, said that he was not interested in defending the suit as he was not a party to it in any way, shape, or form, and not in favor of any expense for defending the issue. Cucci agreed, and both voted "no" on the motion to authorize a defense to the suit.

FROM SEATTLE
Mrs. A. L. Elder has returned from a two weeks' visit with her son-in-law and daughter, Mr. and Mrs. R. W. Epps, in Seattle.

H. C. Callihan Is Reinstated As Bus Driver

Torrance City Council Tuesday night voted to reinstate as a bus driver Harold C. Callihan and to allow back pay since the date of his purported discharge by Councilman N. H. Cucci, which City Attorney J. E. McCall said was an illegal act.

The motion of Councilman L. M. Gilbert asking that Callihan be reinstated reopened the controversy over the sale of the bus line to Charles F. Koors, and Cucci attempted to table Gilbert's motion in view of the fact a Torrance Civil Service Board hearing on the subject had been called for Wednesday, Aug. 29.

Gilbert, supporting his motion, declared that "any decision by the local civil service board will be unfair."

Cucci chose to attempt to ignore the recent opinion of McCall because he is "naturally prejudiced as he is a civil service employee," McCall replied that if the council could find any firm of lawyers such as O'Melveny & Myers or of that calibre who disagreed with his opinion, he would personally be glad to pay for the expense in getting the adverse opinion.

Gilbert declared that he felt it fair to Callihan that he be reinstated, because no charges against him have been proven, and the method of discharge has been declared illegal.

He also moved that a letter be sent to the civil service board informing the board of the council's action. The motion to reinstate Callihan carried with a vote of 3 to 2. Mayor Tolson and Councilman J. E. Hitchcock supporting Callihan who has a perfect safety record for three years of service, and is No. 1 driver of the department. Councilman Cucci and G. V. Powell opposed.

IDECO Picnic Is Held In Torrance Park

The recent annual IDECO picnic was a gala occasion for about 250 employees and their families. An exciting softball game between the plant Wild Cats and the office Trojans was the initial event of the program.

A picnic lunch was followed by entertainment and awarding of prizes. Contests and races during the afternoon were highlighted by a 6-yard dash between Coulomb's baby and John Solberg's baby with Bill Weiss at the finish line.

Man Arrested as Drunk Driver Says He's Not Guilty

Carl Burcham, 814 Sartori Ave., pleaded not guilty Aug. 27, to drunk driving in Judge Otto B. Willett's court and asked for a trial by jury. Judge Willett set the trial for Sept. 11. Burcham pleaded that he was not driving at the time he was stopped, but was asleep in the rear of the car which was being driven by one of the sailors who escaped when police arrived.

GRAPEFRUIT INCREASE

The principal competing fruit to winter oranges is grapefruit, which increased from six million boxes in 1920 to 46 million in 1944. Canned fruit juices, also strong competitors, totaled 77 million cases in 1944 compared to one million in 1920.

V. Powell opposed. The motion to inform the civil service board was on a voice vote, and carried with a like majority of 3 to 2. Cucci then declared that he was "off in a trance" when the vote was taken and asked for a roll call. It carried with members of the council repeating their "ayes" and "nos."
