

Teacher Says U. C. L. A. Graduate Jap Official Expected to Return

(Continued from Page 1-A)

"His quarters were on the floor below mine, but I couldn't warn him without creating further suspicion on the situation. After a sleepless night, I was overjoyed the following morning to see him report for breakfast. Over our bowl of putrid rice, I told him of the search. He had been trying to contact San Francisco, but for some reason their quarters were not searched."

Mrs. Pearce reported that food, or the absence of that commodity, was the primary hardship as their rations shrank to 250 grams per day, although anything below 1250 grams has been considered starvation diet. Once a python was caught, and the internees stewed the snake for a real treat. Cats were also on the menu, she said, and these were raised with utmost care to be eaten on wash-day, when strength was needed most.

Vice Inquiry In Los Angeles Scheduled Soon

The State Assembly's Public Morals Committee will hold an organization meeting to launch a campaign against vice in Los Angeles, Assemblyman Harold F. Sawallisch of Richmond, chairman of the committee, announced.

"Vice is worse in Los Angeles than in any other spot in California," Sawallisch declared. The assemblyman said he will hire independent investigators who will begin their work soon after the Monday meeting. Law enforcement agencies here said they would welcome the probe, asserting that there is little more they can do to cope with the situation.

Fellowship Important to Service Club

Fellowship and the overcoming of petty differences between men alone justify the service club, Phil Phillips, South Pasadena banker and former president of Inglewood Lions club, told members of Torrance Lions club Tuesday noon, meeting in the Civic auditorium.

He said that the service club renders make a member "throw out his chest," but declared that it is the real, common every day fellowship which makes the organization worth while.

Phillips was introduced by W. J. Buffington, immediate past president of the Inglewood club, one of the sponsors of the Torrance club formed last February.

Albert Isen, local attorney, was named as chairman of the student speakers contest for this year, and arrangements will be made with Principal Harold E. Perry, of Torrance High school, to hold elimination contests there preparatory to entering zone, district and state contests later next year.

Rollin R. Smith, D. V. M., presided at the meeting, and the group welcomed back to membership James Barker, secretary of the local Moose lodge, who has been on military leave. He was discharged as a technician, grade 3, last week.
