"Doctrine of Atonement" will be the subject of the Sunday Lesson. Sermon in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston. The Golden Text is from Mark: "The Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many." In The Acts it is related that the next day after Peter and John had healed the lame man at the gate of the temple, the rulers and scribes set Peter in their midst and asked, "By what power, or by what name, have ye done this? Then Peter, filled with the Holy Ghost, said unto them, . . . If we this day be examined of the good deed done to the impotent man, by what means he is made whole; Be it known unto you all, . . . that by the name of Jesus Christ of Nazareth, whom ye crucified, whom God raised from the dead, even by him doth this man stand here before you whole."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "Jesus established his mission on a spiritual foundation of Christ-healing. He taught his followers that his religion had a divine Principle, which would cast out error and heal both the sick and the sinning. He claimed no intelligence, action, nor life separate from God."

Paul Martin Conducting Youth Revival

Rev. Paul Martin, youth director for Southern California Nazarene churches, is conducting

"IF IT'S GOOD, DANIELS SELLS IT."

Along the Union Pacific Strategic Middle Route, uniting the East with the Pacific Coast, stretches a vast network of telephone and telegraph wires. Over these wires go orders controlling movement of all trains.

To insure efficient and safe operation, extreme care must be taken in transmitting. For example, the Union Pacific "book of rules" gives the following instructions for the transmittal of train orders by telephone. . . "Time will be spelled and then pronounced, thus: t-w-o t-e-n 2:10 p.m."

Union Pacific's efficient operation has been developed throughout seventy-six years of service to the nation in peace and in war. A tremendous amount of "know how" has been accumulated during those many years.

In the postwar era when travel conditions have returned to normal, you can continue to depend on Union Pacific for dependable transportation . . . for the utmost in rail travel comfort and enjoyment.
