KNOW ALL CANDIDATES  
 BY THEIR WORKS

Fellow Citizens, beware of "Red-Herrings" and all other political nonsense. There is only one issue in this campaign (all others are invented), and that is: Shall we have government of the people, by the people and for the people?

For too long it has been evident that certain select groups with selfish motives have been directing our welfare. Your City Council must bear the responsibility for this condition.

Elect as your representative the man who went to bat for you in the "Bus Grab Case."

Elect a man who is for the people, and will not fumble the ball of official duty.
