Angeles County on a matching basis. In response to a request of the State Park Commission for a schedule of the beach proper-ties which Los Angeles County would expect the state to pur-chase and what funds or beach-es the county would be pre-pared to use on a matching basis, the Regional Planning Commission submitted to the board a report which on motion of Supervisor Raymond V. Dar-by was approved. However, such approval was on condition that the state in turn give a leng term lease back to the county on all properties deeded to the state as contained in the state report, the terms of such lease to be approved by the chief administrative officer and the county counsel.
