Schultz & Peckham Observe 25th Year Here

Schultz & Peckham, Torrance Ford dealers, will celebrate their 25th anniversary in Torrance on Sept. 9.

The firm was organized by Charles C. Schultz and George Peckham on Sept. 9, 1921, at 213th st. and Cabrillo ave., and since that year has sold nearly 10,000 automobiles, new and used.

The company moved to Gramercy ave. and Cabrillo ave. in December, 1921, and to the new location across the street in 1942 following the earthquake.

Sharing the anniversary with Schultz and Peckham will be Callen, shop superintendent for the firm for 23 years. Three

other employees of the shop have been in the service of the company for more than 10 years.

As to the possibility of Ford cars getting back on the market in numbers, Peckham said that it will be a year or more before things are normal. A few cars are beginning to show up, he said, but not in any quantity.
