ORDINANCE NO. 378 AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF TORRANCE RELATING TO TRAFFIC AND REGULATING THE USE OF PUBLIC STREETS AND HIGHWAYS OF THE CITY OF TORRANCE; PROVIDING FOR THE INSTALLATION, REGULATION AND CONTROL OF THE USE OF PARKING METERS AND PARKING METER ZONES; DEFINING PARKING METER ZONES; AUTHORIZING A METHOD OF PAYMENT FOR PARKING METERS AND THE INSTALLATION THEREOF EXCLUSIVELY FROM THE RECEIPTS OBTAINED FROM THEIR OPERATION; PROVIDING FOR ENFORCEMENT AND PENALTY FOR VIOLATION THEREOF; AND PROVIDING THAT INVALIDITY OF PART SHALL NOT AFFECT THE VALIDITY OF THE REMAINDER.

The City Council of the City of Torrance does hereby ordain as follows:

SECTION 1. The word "vehicle" as used herein shall mean any device by which any person or property may be transported upon a highway, except those operated upon rails or tracks.

SECTION 2. That the following described streets in the City of Torrance are hereby designated and established as parking meter zones, to wit: All of those streets and parts of streets upon which limited parking is now permitted under authority, and by virtue of all limited parking ordinances now effective, and the parking limits and restrictions therein provided are hereby incorporated in this ordinance for all uses and purposes applicable to the conditions, terms, and enforcement thereof.

SECTION 3. The Mayor, City Manager or Director of Public Safety shall provide for installation of meters including curb or street marking lines, regulation and operation thereof, and shall cause said meters to be maintained in good workable condition. Meters shall be placed on the curb next to and adjacent to parking places and meters shall be so constructed as to display a signal showing legal parking upon deposit therein of the proper coin, or coins, of the United States as indicated by instructions on said meter, and for a period of time conforming to the parking limits of the City main in evidence until expiration of said parking period so designated, at which time a dropping of signal or some other mechanical operation shall indicate expiration of said parking period.

SECTION 4. The City is hereby vested with the authority to enter into a contract for the purchase and installation of parking meters and to provide payment therefor exclusively from the receipts obtained by the City from their operation, and that said means of payment shall be in addition to any other purchasing powers heretofore granted the City by its charter, or by the laws of the State of California.

SECTION 5. When any vehicle shall be parked next to a parking meter the owner or operator of said vehicle shall park within the area designated by the curb or street marking lines as indicated for parallel or diagonal parking, and upon entering said parking space shall immediately deposit in said meter a five cent coin of the United States for the maximum legal parking limit, and/or a one cent coin of the United States for one fifth of the maximum legal parking limit. It shall be unlawful for any person to fail to park within said designated area, or fail or neglect to so deposit the proper coin, or coins.

Said parking space may then be used by such vehicle during the legal parking limit provided by the ordinances of the City, and said vehicle shall be considered as unlawfully parked if it remains in said space beyond the legal parking limit and/or when said parking meter displays a signal showing such illegal parking.

It shall be unlawful for any person to cause or permit any vehicle registered in his name to be unlawfully parked as set out in this section.

SECTION 6. It shall be unlawful for any person to deposit, or cause to be deposited in a parking meter a five cent coin and/or a one cent coin for the purpose of extending the parking time beyond the maximum time fixed by the ordinances of the City of Torrance.

SECTION 7. It shall be unlawful to deposit or cause to be deposited in any parking meter, any slug, device or a metallic substitute for a coin of the United States.

SECTION 8. It shall be un-

lawful for any person to tamper with, open, willfully break or destroy any parking meter.

SECTION 9. It shall be the duty of traffic officers so instructed to take the parking meter number, and the state vehicle tag number, of all persons violating the provisions of this ordinance and make complaint therefor in the Municipal or Police Court of the City of Torrance.

SECTION 10. Any person, firm or corporation who shall violate or permit or allow any one to violate Section Five (5) or Section Six (6) of this ordinance shall upon conviction be fined not more than Three Hundred Dollars (\$300.00) and costs.

SECTION 11. Any person who shall violate or assist in violation of Section Seven (7) or Section Eight (8) of this ordinance shall upon conviction be fined not more than Three Hundred Dollars (\$300.00) and costs.

SECTION 12. The fee required to be deposited in said meters is hereby levied as a police regulation and inspection fee to cover the cost of providing parking spaces, parking meters and installation and maintenance thereof, the cost of regulation and inspection, operation, control and use of the parking meter spaces and zones created herein; for the regulation and control of traffic moving in and out of, and parking in, said parking spaces and zones so created; and for the cost of any resultant traffic administration expense.

SECTION 13. If any section, provision or part thereof in this ordinance shall be adjudged invalid or unconstitutional by a court of competent jurisdiction, then such adjudication shall not affect the validity of the ordinance as a whole, or any section, provision or part thereof not so adjudged invalid or unconstitutional.

The City Clerk shall certify to the adoption of this ordinance and shall cause the same to be published once in the Torrance Herald, a weekly newspaper printed, published and circulated in the City of Torrance, and thirty (30) days after final passage thereof the same shall be in full force and effect.
