

Youth Band In First Anniversary Program April 10

Directors of the Torrance Area Youth band this week announced March 10 has been set for the First Anniversary Concert of the youthful music makers. Mrs. John W. Beeman, elected program chairman of the concert, announced all three groups of the Area bands will be presented on the anniversary program.

Admission price for the affair will be twenty-five and fifty cents. Funds raised at the concert, and an intensive paper drive which will be started this week, will be used for the payment of a \$465.00 Sousaphone recently purchased by the group. The Sousaphone will be on display in a Torrance department store from now until the evening of the concert, according to James Van Dyck, director of the band.

A FATAL SWALLOW

An average-sized person would have to swallow a large spoonful of DDT to become fatally poisoned, according to a University of California zoologist.

PHOTOSYNTHESIS

A new step toward the understanding of photosynthesis, the process whereby all life on earth is maintained, has been taken by University of California scientists.

Noted Hebrew Lecturer Speaks In Lomita Sunday

Thousands have thrilled to the preaching of the nationally known Hebrew-Christian lecturer and preacher, Charles Haimovitz, who will speak at the Community Presbyterian church, 2154 W. 248th st. Sunday evening.

Charles Haimovitz was born in Palestine and later came to this country with his parents. He was brought up in the orthodox Jewish faith, but dissatisfied with his traditional religion, he reached out into other fields and eventually became a Christian. He is well versed in the ceremonies and the rituals of his traditional faith, and literally hundreds of thousands have thrilled to his dynamic and dramatic preaching in the larger cities of the United States.

Mr. Haimovitz now is associated with Dr. Arthur U. Michelson at the Hebrew Christian Synagogue, Los Angeles. A cordial invitation is extended to the general public to hear him at the local church Sunday evening.

POSTMAN ON SKIS

About 300 ski-runners, who work in relays, carry the mails in winter between Chile and Argentina, according to the Encyclopaedia Britannica.

Many Torrance High Students CSF Members

AMENDMENTS MADE

There were more amendments to the U. S. Constitution adopted during George Washington's administration than under any other president. According to the Encyclopaedia Britannica, no amendments became effective under Abraham Lincoln. The 13th Amendment, prohibiting slavery, was not ratified until eight months after Lincoln's death.

NOT ENOUGH DENTISTS

The increase in the number of California dentists has not kept pace with the population, says the dean of the University of California College of Dentistry.
