County's House Number Survey To Aid Torrance

Proposals of Supervisor William A. Smith to establish a uniform house numbering program, in all county unincorporated areas would make it materially easier for Torrance to adjust its numbers if carried out, according to City Engineer G. M. Jain.

Supervisors authorized County Surveyor Alfred Jones to make a study of a unified house numbering system, to make county numbers agree with those of Los Angeles city.

Since Los Angeles city's numbers involve practically a county-wide stretch of streets, it would automatically solve much of the problem of mixed up house numbering in Torrance, it was said.

The county wants \$1800 for a survey of the Torrance situation, and residents throughout the city are anxious for the City Council to "do something" and get the situation settled.

Burglars Raid Riviera Home

Burglars visited the Hollywood Riviera home of Mr. and Mrs. Ralph Whitney, who are visiting in Arizona, and carried off a wrist watch valued at \$250, a \$50 suitcase and a number of articles of clothing.

Miss Mary Whitney, daughter of the local couple, reported to Torrance police that she was staying with some nearby friends during the absence of her parents and noticed Friday afternoon that someone was in the Whitney house at 309 Via Linda Vista and called the police to investigate.

When local officers arrived, the marauders had vanished with their loot.

Amateur Boxing Show Sponsored By CYO, Sintra

Plenty of action is promised for the forthcoming C.Y.O. amateur boxing tournament at the Olympic auditorium April 30, 11 and 12 as entries disclosed some topnotch boxers signed up.

In the 135-pound open division, for example, are such classy boys as Henry Martinez, who won the local 1946 Diamond Belt championship and 1947 Golden Gloves, and Buddy Dunne, Golden Glove winner in 1941 before he entered the Coast Guard service.

Dunne's father and brother were boxers, the latter light-weight champion of Ireland.

Tickets are on sale at the Olympic box office. Entire net proceeds will be used to provide additional recreational facilities for all boys and girls of Los Angeles County, regardless of race or creed.
