Right Guide

The United States is not the only country to grant generous readjustment and rehabilitation benefits to returned service-

men.
Great Britain, Canada, Australia, New Zealand and the Union of South Africa have "GI bills" comparable to the American Bill. All of these countries have special benefits for disabled veterans, mustering out pay, farm and home loans, unemployment benefits and jobtraining and educational benefating and educational educational educational educational educational educational educational educational educational educational

The Australian veteran receives

mustering out pay depending on the length and type of his service up to \$395. If single and unemployed after discharge he gould apply for unemployment pay at the rate of \$8 per week, \$13 if married. Other benefits available to him are "rent-purchase" of a home, \$3,210 for a farm loan, \$1,605 for business loan, at 4 percent interest rate. He could go to school as long as necessary to complete his source with subsistence allowance, if single \$45 per month, and \$74 if married. Children of deceased, blinded, of totally meapacitated veterans are educated at government expense. "The British veteran Mustering out pay up to \$472. Business loans only in the form of ān outright grant up to \$600. Unemployment allowance for single veteran \$480 per week; married veteras, \$8 per week with \$1 extra for each child. Thition, fees, books and incidental expenses plus as much as \$104 per month are paid for his education "as long as the veteran profits from his course." He may receive on-the-job training with government subsistence allowance (in addition to 715 per week.

The Canadian veteran. Mustering out pay up to \$711. Business and home loans for overseas veterans only. Special consideration for veterans who wish to enter farming or commercial fishing. Unemployment allowance from \$45.50 up depending on number of dependents. On the-job and school benefits with subsistence allowance for single man, \$54.60, and married, \$83.75. "New Zealand veteran. Mustering out pay as high as \$586. Leans up to 100 percent of "fair value" for sheep farms as high as \$20,200, and regular farm property to \$11,300. Business loans to \$1,615, furnified. Eligible veterans who "satisfy government they are reasonably capable of completing or benefiting from course" may have expenses paid and subsistence allowance for single man, \$54.60, and married. Eligible veterans who "satisfy government they are reasonably capable of completing or benefiting from course" may have expenses paid and subsistence allowance for of single paid of the size of single paid of

And we rejoice in the general appiness, prosperity and ad-ancement of our country, which as been the offspring of free-
