California school bus drivers involved in accidents will have their bus drivers licenses with-drawn at once pending full in-vestigation and further examination of driving ability, it was announced today by Edgar E. Lampton, director of Motor Ve-

les.

Three deaths and 39 injuries ong school children in the state of the second control of this year recited by Lampton as the son for drastic action by the te. Two deaths occurred in a Angeles county and one in creed county. Los Angeles also in the injuries, the highest of recounty.

Merced county. Los Angeles also had nine injuries, the highest of any county.

"In addition to more rigid control of school bus drivers we are also making every effort to see that all school buses conform to safe ty regulations," Lampton said. "Before schools reconvene next fall every school bus in the state will be carefully heeked by members of the Highway Patrol. Also, manufacturers have been warned that safety specifications must be met or buses will be ruled off the highways."

Lampton also revealed that plans also are under way for much more rigid original examinations for bus drivers.

### Clamp-Down On **Speeding Set** By State Police

Speed minded motorists, who like to burn up the highways, are steering for trouble, according to Edgar E. Lampton, director of Motor Vehicles, who today, announced that all speed laws are to be enforced to curb the rising tide of serious vacation period accidents.

"Our records show far too many crashes are due to excessive speed." Lampton said. "I have advised Chief E. Raymond Cato of the Highway Patro! that special emphasis should be laid on making motorists drive within the safe speed limits prescribed by law. Orders to this effect have gone out to all patro! offices. Our highways are filled with tourists and home folk on vacation trips and they should not be endangered by speed maniaes.

"Ne we r and more efficient."

not be endangered by maniaes.

"Ne we'r and more efficient equipment will enable the patrol to apprehend many speeders who formerly escaped. Emphasis also is being placed on arrests for weaving in and out and other violations of rules of the road," Lampton said.

### **Naval Reserve** To Present Air Show June 29

Celebrating its first birthday with a mammoth air show and open house Sunday, June 29, the Naval Air Station, Los Alamitos, will present the public a spectacular demonstration of the Naval Air Reserve in action. The gates of the station will open wide for visitors at 10 that morning.

wide for visitors at 10 that morning.

Numerous exhibits of latest naval air warfare equipment will be displayed throughout the day. These will include demonstrations of pilotless planes, rockets, fire fighting, and radar in actual use. The station swimming pool and movie theatre are to be continuously open for all.

At 11 a.m. the Pasadena Athletic. Club swimming team, including national women's diving champions Viki Draves and Evelyn Moore, will present an exhibition meet. Boxing matches by Navy champs also will be includ

Plan for establishment of a complete dental department at General hospital to serve county patients was 'studied today.

Arthur J. Will, superintendent of charities, said he would submit the proposal, offered by the Los Angeles County Dental Society, to the hospital medical staff for discussion.

The society informed the supervisors that a four-vas

staff for discussion.

The society informed the supervisors that a four-year survey indicated numerous repeat cases and "incomplete cures" at the hospital could be attributed to "faulty dentition" resulting from lack of facilities.

The society offered to sponsor organization of a full dental staff which would include noted
