This column is designated to give official VA answers to veterans' readjustment prob-blems, Send questions to RIGHT GUIDE, 1380 Sepulve-da blvd., Los Angeles 25, California

(2) Proper Identification

d trouble:

2) Proper Identification
neomplete identification of the
iter is still the biggest probin the VA mail room.

feterans should remember when
in the VA mail room.

feterans should remember when
ye write the local regional ofe that there are more than
1,000 cases on file in this ofe. It is almost impossible to,
the writers by name
by A glance at the Los Angetelephone directory will provetelephone directory will provewe many exact duplications of
mean exact duplications of
serve in the right file when vetersor their dependents give
mes only.

Veterans, in writing the Vetans. Administration, should
ac Cnumbers, full names,
addid names spelled out), and
mplete, correct addresses. If
numbers are unknown or forten, writer should then give
miplete service identification
budding branch of service, serving and using the Cnumber
ing and using the Cnumber
und save time for both vetans and the Veterans Adminisation.

More than \$40,000 in checks to veterans and dependents, is returned every month marked "Not at this address." Hundreds of veterans and a few surviving dependents of veterans have from three to twelve monthly checks accumulated in the VA Finance office. A crew of searchers in this office attempts to find veterans and send them the money they may be waiting for. If is difficult to accurately estimate the actual VA man-hours spent, or the dollars and cents cost. of sorting, identifying and answering improperly addressed and written letters received from veterans. Another cost equally hard to estimate is the long delays such letters cause the veteran writers themselves.

And now with the reduction ore than \$40,000 in checks to

hays such letters cause the vet-eran writers themselvey.

And now with the reduction of personnel in the Veterans Ad-ministration it is more important than ever for veterans to check subject matter of their letters, proper identification of them-selves, and to be certain to keep the Veterans Administration in-formed as to correct addresses.

Redondo Youth Steals Garbage Truck, Injured

Senardo Soliz, 18, of Redondo leach, was in Harbor General ospital with a seriously injured ack Saturday, as a result of an ecident in which he piled up a arbage truck stolen from George f. Greene of Torrance sometime riday.

Friday.

Soliz was formerly employed by Greene and had been dismissed earlier in the week, it was reported.

reported.

The youth stole the truck and, according to the sheriff's office wrecked it on Avalon Blvd., north of Rosecrans Ave., Satur-

PROSTHETIC DEVICES

The VA has opened a public exhibit containing more than 1, 000 prosthetic devices now available to disabled veterans including practically every known type of artificial arms, legs, hearing aids, aids for the blind, plastic eyes, wigs, cosmetic hands, wheel chairs, crutches and canes.
