\$30,000 Damage Reported In **Torrance Fire**

A fire caused by a broken high tension wire was responsible for \$30,000 damages at the yard of the Torrance Metal Products Co., Guadalupe and Santa Clara avenues, early last Friday.

The Torrance Fire department battled the blaze, which destroya pile of automobile tires and ed shoes in the yard of the company, for seven hours before it was brought under control.

S. H. Burns, owner of the concern, stated that the wire apparently parted in the middle and fell across the pile of shoes and the concern.

and tires.

The Fire department was forced to lay out 1,500 feet of hose to battle the early morning blaze. No other damage than that to the tires and shoes was reported.
