

WCA TO SPONSOR TALK ON SPIRITUAL SIDE OF MARRIAGE

Dr. Albert G. Lovelady of Compton college will present the third in a series of YWCA-sponsored marriage lectures being held in the City Hall at 8 o'clock tonight, when he speaks on "The Spiritual Aspect of Marriage."

A graduate of Pepperdine college and of the University of Southern California, Dr. Lovelady is now marriage counselor and counselor of emotional problems at Compton college, where he also conducts a course in marriage and the family.

He states, "I think that marriage is definitely failing in America, and apparently education for marriage is the only hope. Homes are unprepared to give the necessary help; schools offer all courses except marriage; and the result is that people enter into marriage more unprepared than in almost any other field."

"Clinics such as this one in Torrance will help in the solution of this serious problem." Information regarding this course may be had by telephoning Miss Helen Lockwood, YWCA young adult director for this area, Torrance 1356.
