Warriors Drop Opener During Northern Hop

The El Camino College basketball squad presently on a seven-game tour of Northern California has won two out of three games. Coach John Morrow's Warriors, after traveling 12 hours prior to their first game, lost to Grant Technical College, Sacramento, by a score of 43-52.
Two of the games have been won by the Warriors by a score of 53-30 with Napa Junior College and 68-55 over the Santa Rosa Junior College.
The Warriors will be re-matched with Grant Technical College on the Redondo Union High School floor on Wednesday, Dec. 29 and with Sacramento Junior College at Leuzinger High School gym on Friday, Dec. 31.

Series of Defeats Costs Local Varsity Casaba Squad No Sleep

Although Torrance's Varsity basketballers have been defeated four times in as many starts, the local quintet are in no manner to be counted out of the Bay League title race.
Torrance dropped their fourth game last Friday night to Ventura (the second time in a week) by the highest score made against the Tartars since Coach Cliff Graybehl came to Torrance two seasons ago. The final tally was chalked at 59-32. The loss nor the score caused no loss of sleep to Graybehl or the team—they just never expected to win. Here's why.
Last year the Ventura squad took second in the CIF Southern California playoffs and according to their coach they have a better club this year. Earlier this season the Mariners played Bakersfield—a school of 4000 students, and handed them a first-class shellacking at 62-36. Bakersfield with practically the same club as last year was first in their league in '47.
Sparking this club was Ventura's Ace Millan, a deadeye of the old school who sank eight field goals in 15 attempts against Torrance and dropped in another five free throws to lead the scorers in the ball game with 21 points. Coach Graybehl put Bob Chambers, no slouch himself with a basketball, on the lankey forward on a man-to-man basis and in a few moments Chambers fouled out of the contest.

Ventura received no little help from their center, Freeman, who tallied four times from the range and twice from the foul line to chalk up ten points.
Paul Smith, third string All-Bay League center in '47, racked up 13 points to lead the Tartar offense. Vance Ratloff, top scorer with 11.0 Goettach on the Bees last season, was held to four points while the speed of the nimble-kneed Goettach came through for two FG's and a single FT.
Earlier in the week the Tartars dropped their first try during the seven-day period by missing at the hook offered by Mt. Carmel who subsequently put the gaff into Torrance, 48-33.
This was another no-loss-of-sleep battle for the Tartars. Mt. Carmel won the Catholic league last year and so far this season have won 13 out of 14 starts.
Torrance's other loss was at the hands of Narbonne who dropped one contest in 11 starts.

UNDERCROPPING
"By undercropping a deer herd we gain nothing in improved future hunting. Rather we stand to lose. Deer in excess of the carrying capacity of a range will die off ultimately from one cause or another, and in the meantime they have caused a lowering of the carrying capacity of the range."—Dr. A. Starke Leopold, assistant professor of zoology, University of California.
