

New Courses

Torrance Has 178 in El Camino; New Semester Opens Jan. 31

Torrance has 178 students enrolled at El Camino College, 42 of this number being in attendance in classes under the technical and industrial courses offered by the college, according to H. J. Sheffield, director of student personnel.

El Camino's enrollment reached 2637 during the fall semester of 1948-49, and it is anticipated that the spring enrollment will approximate the fall figures. Two South American countries, as well as Ireland, have representatives in the college's student body.

Here is where the remainder of the students come from:

Inglewood	479
Hawthorne	279
Redondo Beach	278
Manhattan Beach	138
Hermosa Beach	135
Lawndale	96
El Segundo	61
Gardena	187

The remainder are from Lomita, Walteria and nearby areas.

Spring semester enrollment dates at El Camino College are Jan. 31, Feb. 1 and 2, 1949, according to Sheffield. Sophomore students will register Jan. 31 between 8 a.m. and 8 p.m. Freshmen whose names begin with the letters M through Z will register between 8 a.m. and 8 p.m. on Tuesday, Feb. 1.

Freshmen with surnames beginning with A through L will register Wednesday, Feb. 2 between 8 a.m. and 8 p.m. New students who have not been previously enrolled at El Camino College will register according to the beginning letters of their surnames either on Feb. 1 or 2.

The English placement examination for students who have not completed a college English course will be held Saturday, Jan. 22 at 9:30 a.m. in the administration building. High school graduates and others who plan to attend El Camino College on a full-time basis must qualify upon this English examination prior to college admission. Students who succeed in passing the qualifying test are admitted directly into a college English course, while those who are unsuccessful must enroll in an English review course prior to their being assigned to a regular college English course.

According to H. J. Sheffield, the spring list of the college offerings will reach the 800 mark. This will be the first time that El Camino College

City Enjoined in Figueroa Airport Suit

The city of Los Angeles has lost a court decision to former Air Forces Lt. Robert H. Wyckoff, who succeeded in getting court approval of his suit to enjoin the city from interfering with his operation of an 80-acre airport at Figueroa and L streets, Wilmington.

As one of his last acts prior to leaving for the Long Beach branch of Superior Court, Judge Otto J. Emme decided Wyckoff, who holds a 15-year lease on the land, was right in his complaint that the city had violated a commitment made to him when it rezoned the area for residential purposes.

has offered more than 275 separate classes and subjects. The schedule of classes for the spring semester will be available after Jan. 15. This will give students and new enrollees two weeks in which to plan their spring program prior to their actual enrollment.

Motor Vehicle Registrations Now Renewable

Compton is the nearest to Torrance of any branch office of the Department of Motor Vehicles where auto and truck registrations may be renewed, it was established this week in response to telephone queries at the Herald office.

The Compton office, at 124 East Rosecrans boulevard, is designated as a sub-branch and handles renewals only. The Long Beach office is next closest to the center of Torrance and handles all registration details, it was explained.

However, the southwest section of Los Angeles county has been denied an office thus far, and even Inglewood area residents now are required to go to the West Los Angeles office on West Washington boulevard in Culver City.

Motor vehicle owners were urged to make renewal of their registrations at once to avoid the last-minute rush. Penalties go into effect at midnight Feb. 4.

Motorists should bring both copies of their business machine-prepared potential registration card or their typed potential registration card with attachments, depending on which was received.

If a potential registration card has not been received, renewal may be effected on the 1948 white registration card, a registration official explained.

If an applicant does not receive a 1948 registration document or a potential registration card by Jan. 20, he should consult the nearest Department of Motor Vehicles office.

By using the potential registration card to renew, the applicant will receive his 1949 license tabs and white registration card immediately. Nothing will be mailed to him later.

Torrance Man Is Interpreter With Airborne

Pfc. Tohoro T. Takai, a member of Headquarters and 187th Glider Infantry, 11th Airborne Division, recently returned from a routine patrol off the northern tip of Hokkaido, Japan.

Pfc. Takai, son of Mrs. Tsuneki Takai, 4801 West Torrance boulevard, Torrance, is a member of the intelligence and reconnaissance platoon of the 187th Glider Infantry Regiment, acting as interpreter for this platoon.

Week Left to Get Free Chest X-Ray

Residents of Torrance and Lomita who did not avail themselves of the opportunity to receive a free chest x-ray last summer may obtain one next week at the Torrance health center, 2300 Carson street, Torrance, according to Dr. Henry C. Smiley, district health officer for the Los Angeles county health department.

Hours scheduled are 1 p.m. to 6 p.m. on Monday, Jan. 17. The chest x-rays are free to all residents over 15 years of age with the exception of tuberculosis contacts referred by the local health center. Children under 15 years of age will not be x-rayed. All minors must have the written consent of their parents to receive this service. No appointments are needed and confidential reports will be mailed to each individual having an x-ray.

CAN'T CATCH CANCER

Cancer is not contagious and is painful only in advanced stages. Frequent medical exams are the best safeguard against this disease.

Greenhouses Are Enlarged

Construction of two additional glass greenhouse is under way at 21039 South Figueroa street, enclosing an additional 5800 square feet of space for the propagation of rare blooms. Cost of the two new glass houses is \$18,000, and the owner is Mrs. Torje Yamaguchi.

Tell Greeting

Scores of friends of Mr. and Mrs. Charles B. Dunham who attended open house Christmas day at their home, 21617 Hall-dale avenue, complimented them on the beauty of their outdoor holiday decorations which included artistic lighting effects achieved through the use of more than 200 vari-colored lights on a 30-foot jacaranda tree.

LOST

Lady's Valuable Ring.

2 Diamonds, 1 Emerald. Substantial reward for return to office of Torrance Herald, 1619 Gramercy Ave.
