RECEIVES CHECK . . . The Building Fund of the Los Angeles unit of the Shriners Hospital for crippled children, was richer today by \$1,060 donated by the Co-operative Club of Wilshire, in a check received by Charles T. Reichert of Al Malaikah Temple, from Torrance, and his wife, Peggy. The check was presented by John M. Fernald, M.D., retiring president of the Wilshire Co-operative Club, and Mrs. Howard E. Lundberg, President of the Co-opettes of Wilshire.

Embarrassed
Kettler Knolls Residents Want Phone Exchange Name Switched

Residents of Kettler Knolls are finding it a little "embarrassing" to live in one city and have a telephone exchange the name of another city, a spokesman for the Home Owners Association revealed this week.

Speaking for the group was Mrs. Robert Williams, vice-president of the Association.

"She said the group was 'glad' to have extended service available but that it was not a solution to their problem as suggested by telephone officials last week.

"Our group realizes the problems facing the telephone company when a change of boundaries is attempted. A change of the boundaries to include Kettler Knolls, a subdivision in the city of Torrance would be the perfect solution," she added.

"We suggest a change in the exchange from the name 'Lomita' to a name that does not falsely identify us with a community in which we do not live. A name like 'Orchard,' 'Oxford,' or 'Thornwall' would be highly satisfactory," she pointed out.

"Telephone subscribers in Seaside Ranchos have a 'Frontier' exchange the same as residents of Redondo and people in North Torrance have a 'Menlo' exchange the same as residents of Gardena," she added.

Additional discussion of the telephone problem will be led by A. F. Sues at tonight's meeting of the group in the VFW Hall.

Also on the agenda for tonight's meeting is the voting on proposed street lights for the area. George Stevens city administrator will show the group various plans for street lighting upon which the group will vote.

E.E. Kelly, a member of the executive board, will discuss the water situation. Albert Fredrickson will report on the problem of obtaining better bus service for the area.

A traffic survey report on stop signs and warning signs for the area will be given by Jack Phillips.

William Finch, president of the organization, will report on the advancement of the membership drive.

'Very Special' Valentine for W. A. Zoellers

St. Valentine's Day was a very special day in the life of William A. "Bill" Zoeller, certified public accountant, this year — and will be from now on.

Zoeller, who works with figures all day—the 1, 2, 3, 4 kind that is—was seeing "6 pounds, 4 ounces" in all his ledgers this week.

The 6 pounds 4 ounces arrived at Torrance Memorial Hospital February 14th and she's been named Frances.

Bill's friends were saying this week that he's pretty accurate when it comes to calculating.

20-Foot Plunge Kills Driver

After his car had collided with another car at Vermont avenue and East road, east of Torrance, Albert J. Miller's car plunged down a 20-foot embankment, and Miller was killed last Friday police reported today.

Miller, an oil worker, lived in Long Beach.

The other car was driven by Robert E. Mason, 16, of Hollywood.

The accident brought the traffic deaths in Los Angeles County since Jan. 1st up to 123.
