

# Tartar-Sentinel Horsehidors in Bay League Opener

## El Camino Calls For Stadium Seating Bids

Permanent stadium seating for slightly in excess of 5100 people was assured last week by action of the Board of Trustees of El Camino College in authorizing the call for bids for immediate construction. Plans prepared by Harold A.

Bartlett, Civil Engineer, presented to the Board for their approval called for the installation of five sections of seats; three on the west side of the stadium and two on the east side and also the construction of a players tunnel 90 feet in length connecting the playing fields with the new Field House now under construction. It is expected that the new permanent seating will be installed and ready for use this fall. The stadium will have an ultimate seating capacity of slightly in excess of 20,000 persons.

The Trustees also accepted a recommendation from Landscape Architect, Ralph D. Cornell, for the planting of Italian stone pines along the perimeter of the campus and authorized Business Manager Carl G. Arfwedson to purchase the trees and have them planted as soon as possible. Planting of trees on the campus will be withheld until more of the permanent buildings have been constructed.

In other actions of the Board approval was given for working drawings on the Student Union and Cafeteria Buildings as presented by Howard Morgridge of the architectural firm of March, Smith and Powell, Los Angeles. The new cafeteria will have a seating capacity of 850 students and construction is expected to be commenced early in the fall. Estimated cost for this addition is \$325,000. Morgridge also presented to the Board preliminary plans calling for the construction of an Administration and Classroom Unit to be erected on the Greenhew boulevard frontage; construction also scheduled to begin in the early fall of this year.

President Forrest G. Murdock reported to the Board relative to recent trips to Sacramento concerning legislative matters pending before the State Legislature. Murdock was authorized to attend the sessions of the California Secondary School Principals' Conference in San Diego April 11 and 13. President Murdock is scheduled to appear as leader in the conference in the section meetings

BEST ON BUNTS... Gregg James will handle the chores at third base this afternoon when the Tartars clash with Inglewood in the league opener.—Herald Photo.

## Feature Fistic Fracas Friday

Fatherweight fighters feature the fistic frolics at the Wilmington Bowl tomorrow (Friday) night when matchmaker Jackie Leonard of Compton sends Inglewood's Wayne Cook against the C.Y.O. Kingpin, Juan Cochran, the Clearwater's young corner, Al Guzman, draws Ray Lozano of Santa Ana in the headline bouts of the weekly amateur fight card.

## Burbank Falls Before Police Nine, 10-4

Sparked by three double-baggers, Torrance's "two-bat" ball club defeated the Burbank Merchants, 10-4 last Sunday on the City Park diamond.

Playing-manager Swayne Johnson, garnishee of one of the three two-base hits, claims that after last Sunday's jump in attendance and support of the local Police Nine, he was able to purchase five new bats to bolster the battery of beat-up bats—both of them.

Johnson started the game with two bats. Apparently they were not too short or too light, however, for the local boys swung them for 13 hits against the Burbankers with Briganti, Roberts, Smith, Hicks, and Bennett each collecting two bingles apiece.

Smith and Clair Johnson upped their batting average by collecting the other two double-baggers. Sunday's crowd of 200 saw Waters' go to the mound in the first inning and to the showers three innings later. Daniels took over and three innings later he too was ready for the spray. About this time Johnson sent Harry "The Cat" Theodosis to the mound and he stayed the remainder of the contest—allowing three hits.

Though spring weather brings out the flowers and the ball fans, Manager Johnson may find the row a little tough to hoe from here on in.

Hal Jackson, big hit-getter for the locals, has reported to Oakland for spring drills.

Missing from the lineup next Sunday will be the names of Briganti and Waters, who will join clubs in the Southern states.

Opponent for next Sunday's game has not been announced although some tough competition will be afforded by the association, Johnson claims. The first wind-up is delivered at 2:15

## Host Sixteen School Teams

The Women's Athletic Association of El Camino College played hostess to sixteen bowling teams representing eight colleges in the Southern California area in a meet under the sponsorship of the Southern California Junior College Women's Athletic Association recently.

The El Camino co-eds placed two teams in the top ten, winning 6th and 9th places, on the basis of the two teams entered in the tournament. Santa Monica City College, with teams in 7th and 10th places was the only other school to duplicate the El Camino College co-eds feat.

High-game scoring also went to Vilma Bascaro, Compton College, with a score of 176. Gloria Quintana, El Camino College was 10th in individual scoring, with a 159 score. Total high score honors for three games went to Nadine Morse, Long Beach City College with a score of 491. Gloria Quintana's highest score for El Camino College totaled 415 for three lines. Team scores for top ten teams were as follows:

Fullerton	1627
Long Beach C.C.	1526
Compton College	1497
Los Angeles C.C.	1488
Citrus J.C.	1452
El Camino College	1377
Santa Monica C.C.	1375
Los Angeles C.C.	1341
El Camino College	1338
Santa Monica C.C.	1321

## INGLEWOOD FIRST FOE FOR LOCALS

Bob Cosby's baseball bunch opens its Bay League season this afternoon with Inglewood on the Sentinel field after last week's diamond debut was postponed because of rain.

Don Young is scheduled to open on the mound for the Tartar opponents while Harry Theodosis will handle the pitching chores or the locals.

The return of Max Robinson to the Torrance squad will fill in an important gap in right field. Although the home town gang has been rusty throughout the past week due to no practice affairs, they are ready and willing to overcome their enemies.

Pitchers: "The pitching staff runs hot and cold. Harry 'The Cat' Theodosis can be good—in fact the best if he can find a horseshoe, to change his luck. Dave Bishop is working hard and improving with every start. Milt Long comes in from the outfield to fill out the trio."

Catchers: "The department is well stocked with Jim Taylor receiving the starting nod. Buddy Licht is right behind Taylor but his greater speed makes him more valuable in the outfield positions."

First base: "Dick Turner has a strangle hold on the spot, not because of a lack of competition, but because of his vital size."

Second base: "Wendell Vaughn will force 'Mumps' Mitchell to go above last season's form to oust him."

Third base: "Gregg James sits in pretty solid in the hot corner."

Shortstop: "Bob Chambers is using his experience to keep down the rookies. Bill Crawford, with a little more seasoning, will be a great infielder."

Outfield: "Paul Smith still trots out to left field but unless he can get the moonbeams out of his eyes and hit the ball a little harder, he will have to dream on the bench. 'Chucker' Long fills in at center and Licht will manage right field."

A club's power at the plate supposedly is furnished by the outfield but about all the Tartar fly chasers have added has been scenery."

## Warriors Whip Santa Monica

Paced by Center Fielder Ross Sidebottom, who clouted a homer with the bases loaded in the sixth inning, El Camino chalked up a 12-9 Metropolitan Conference baseball victory on the losers' diamond.

The Renegades chalked up three homers and three double plays, and led the Warriors, 6-5, going into the sixth frame.

Pitcher Danny Knock hurled for El Camino until relieved by Jerry McIlvaine in the fifth inning when the Renegades pushed four runs across the plate.

George Avazian collected four hits in five trips for the Warriors, and "Sockeye" Torres banged out two for five.

Score by innings: r h e  
El Camino 410 006 00—12 14 1  
Bakers'd 100 140 300—9 12 2

Knock, McIlvaine and Duitman; Moore and Johns.

**Hermosans Edge Normont Midgets**  
Normont Terrace's Shamrocks, midget softball club, lost a close 8-7 decision Saturday to the host Hermosa Beach Boys' Club.

The Hermosans capitalized on home runs in the third and sixth frames for the victory.

Normont hurlers Tom Eggleston, Ken Mitchell, and Roy Rubel let Hermosa down with six hits, while Normont was garnering eight.

Scoring follows:  
Shamrock ... 000 100 501—7 8 2  
Hermosa ... 103 003 01X—8 6 1

## THINCLADS TO COMPETE IN EL MONTE RELAYS

Tomorrow afternoon the local prep cindermen embark on a voyage to compete in the sixth annual El Monte Relays at the host oval. The relays, probably the only relays in the United States run off in that manner even right through the field events, will attract over 800 of the Southland's finest thinclads from over 20 schools entered.

Last year the Tartars placed eighth in the overall scoring and the Bees came within two points of capturing the championship. Torrance holds the Bee shotput record.

Although the locals probably won't fare so well this year, they are expected to garner a few tallies in the Bee and Cee divisions. There are no Tartar varsity entries. Altogether, the home town boys are scheduled to compete in six events.

Tuesday afternoon, Frank Schmidt heaved the shot 49 feet, 9 inches to set a new school Cee record as the local Ceebiscuits downed Jordan 44-32 on the Panther track. However, the host school proved to be impolite as they slaughtered the Torrance varsity and Bee squads, 78-18 and 59-23, respectively.

Schmidt's terrific toss cracked the old standard set by Jim Webb in 1947 of 49 feet, 6 inches. Pete Douroux, the flying Frenchman, sprinted in the last 220 yards as he captured the varsity 880 with a sensational 2:07 clocking.

John Schultz hit the win column for the second successive week as he shoved the varsity shot 46 feet, 10 inches.

John Kulp turned in the most outstanding running performance in the Bee division as he toured the 1320 in 3:27. Lefty Scholl, zoomed to a victory in the high hurdles while Wade Fisk and Boyd Crawford, both soared to the highest marker of their careers in topping 11 feet, 3 inches in the pole vault. Fisk also tied for first place in the high jump.

A clean sweep in the 660, shot put, and high jump featured the Cee win.

Larry Downing, Jack O'Carin, Frank Kelly, Aramis Dandoy, Frank Schmidt, and Norm Stock all succeeded in taking their respective events. Stock's sensational 14.6 timing in the low hurdles lacked two-tenths of a second of equalling last year's mark in the league finals.

**SUMMARIES:**  
100—Colman (J), Pettis (J), Henry (T), 10.4  
220—Morris (J), Davis (J), White (J), 24.6  
440—Pettis (J), Wernett (T), Oefinger (T), 52  
880—Douroux (T), Smith (J), Knickerbocker (J), 2:07  
1 Mile—Rogers (J), Miller (J), Russo (J), 4:16.8
