It is vision and faith like yours that made Lomita Lomita in the first place. It is vision and faith in Lomita today . . . vision and faith that you have so well demonstrated . . . which will carry Lomita onward on the path to a greater, finer city for folks to live in . . .

So congratulations, Hal! We are proud of you! We know that you will be successful beyond your fondest dreams . . . and we will be in there pitching to make this dream of yours and ours come true!
