Regulations for Field Day Told By Sports Head

The tri-sponsored Grade School Field Day will be held May 14 at Torrance Elementary School playground, according to Elmer "Red" Moon, director of city sports.

Sponsoring the event are the Optimist Club, the YMCA, and the City Recreation department. The following eligibility rules and regulations will govern the event, according to Moon:

- Eligibility and Rules**
1. Any boy in grade school may enter.
 2. Competition will be held on an individual basis for two classifications, Junior Division (under 10 years) and Senior Division (10 years and older as of May 14, 1949).

ELIGIBILITY and RULES

3. Each school may have four entries in each division in the following events: 50-yard dash, high jump, running broad jump, standing broad jump, baseball throw.
4. Each school may choose their participants for all events in the manner of their choice.
5. Participants may not enter more than three events.
6. No age classifications will be observed in the following events: 10-man tug-of-war, 8-man 400-yard shuttle relay (each boy will run 50 yards) and the 10-man sack race (each boy to travel 25 yards).
7. A regulation 12-inch softball will be used for the Baseball Throw. (Three throws for each boy).
8. Ribbons will be awarded to the first three places.
9. Judges and awards will be under the sponsorship of the Torrance Optimist Club.
10. There will also be a special ribbon for the high point man in each division.
11. Entry forms, as provided, shall be filled in and returned to the office of the Torrance Board of Education not later than Friday, May 6, 1949.

FIREBALL ... Ted Carlsgaard who was seen in action here last season as chucker for the Torrance Scuttlers of the National Niteball League, has joined the Redondo Elks who now hold the franchise held by Torrance last year.

Scuttler Pair Join Ranks of Redondo Elks

When Hodie McBride, manager of the Redondo Elks softball team, sends his boys to the field to open the National Niteball League on May 2, two boys will be on the lineup who saw plenty of action here last season.

Ted Carlsgaard, speedball merchant of last year's Torrance Scuttlers, will take the mound for the Elks to pitch to the hard-hitting backstop—Nick Boden. Dick Cuttle, who held the Torrance franchise in Torrance in 1948 made a deal with Hodie McBride of the Redondo Elks and his champion Elks club, to take over the franchise.

Cuttle made a sincere effort to bring the National League into popularity in Torrance last season but a roster of "out-of-town" players was not too well received by the local softball fans. Cuttle was bucking a league loaded with local ads in the Industrial Softball League and free admission. The Scuttlers played under a pay-to-see plan.

Cuttle and the Elks are very likely to do much better in Redondo because McBride, who will manage the National League entry, will be using a lot of local boys—all with a following.

Missing from the Elks lineup is Phil Knight, one of the steadiest team chuckers in the league. Knight was recently transferred to Northern California and will not play with the Elks this year. Knight was one of the most hardluck pitchers in the league last year but when he even opened his mouth to lament the fact, Knight joined the Torrance Scuttlers as a relief pitcher behind Carlsgaard but ended up doing most of the mound chores for the local club after Carlsgaard broke a blood vessel in his leg early in the season. Knight pitched many a one and two-hitter during the season only to be credited with being the losing chucker. Team fielding errors let many a run slide across the plate that cost the Scuttlers a league win.

Members of the National League for this year include teams from Anaheim, Whittier, Fullerton, Orange, Long Beach, Santa Ana, and the two changes in the league—Redondo Beach and Buena Park. The latter two clubs replace Torrance and Garden Grove respectively.

El Camino on Way to 2nd Golf Title

Coach John Motrow's Warrior golfers have better than an even chance of repeating their win of last year's Metropolitan golf championship, having won over every Metropolitan Conference team they have met this year. Latest wins are over East Los Angeles Junior College by a score of 19-2 and over Bakersfield Junior College by a score of 18-0. George Cutler, El Camino College No. 1 man, toured the Inglewood course for a 72 par to stroke the team to victory in the East Los Angeles game.

The Metropolitan league tournament, which determines the conference champion, will be held at Montebello Country Club under the sponsorship of East Los Angeles Junior College, Friday, May 6, 1949.

Revolver Club Meeting Slated For Wednesday

We're still revolving! This is the way that Gale Whitacre, secretary of the Torrance Police Revolver club, announced that the club has now attained a membership of more than 40 persons.

Whitacre also announced that the next regular meeting of the club will be held in the City Hall at 7:30 p.m. May 4. He said that membership in the club is open to all persons 18 years of age and older.

He stated that there are now more non-police members than there are police members, and urged that anyone interested in joining the club place an application for membership with Police Chief John Stroh.

The Torrance Police Pistol Range, where club members practice, is open to the public from 9 a.m. to 3 p.m. Friday, Saturday, and Sunday. There is a twenty-five cent range fee for non-members.

Officers of the club, besides Whitacre, include A. S. Thompson, president; Chief Stroh, treasurer; and C. B. Kyle, range master.

Turner played under a pay-to-see plan. Cuttle and the Elks are very likely to do much better in Redondo because McBride, who will manage the National League entry, will be using a lot of local boys—all with a following.

Missing from the Elks lineup is Phil Knight, one of the steadiest team chuckers in the league. Knight was recently transferred to Northern California and will not play with the Elks this year.

Knights was one of the most hardluck pitchers in the league last year but when he even opened his mouth to lament the fact, Knight joined the Torrance Scuttlers as a relief pitcher behind Carlsgaard but ended up doing most of the mound chores for the local club after Carlsgaard broke a blood vessel in his leg early in the season. Knight pitched many a one and two-hitter during the season only to be credited with being the losing chucker. Team fielding errors let many a run slide across the plate that cost the Scuttlers a league win.

Members of the National League for this year include teams from Anaheim, Whittier, Fullerton, Orange, Long Beach, Santa Ana, and the two changes in the league—Redondo Beach and Buena Park. The latter two clubs replace Torrance and Garden Grove respectively.

Locals Move to Third Place in Bay League

Winning their third straight league contest, the Torrance High Tartars had little trouble in blasting Leuzinger, 4-1, in an easy battle yesterday afternoon. The victory placed the locals in third spot in Bay League standings.

Cosby's amazing diamondmen, who were sitting in the cellar only two weeks ago, have made an outstanding improvement and are heading for the top.

"Hustling" Harry Theodosius went the route for the winners in racking up his second straight league decision. The stellar chucker held the visitors hitless in the opening three frames and then settled down to a five hit performance.

Torrance gained a 2-0 lead in the first canto when Greg James walked and went to second on Dick Turner's single to center. Paul Smith advanced to first as Turner was forced at second and Buddy Licht smacked a hard hit to center to score James and Smith.

Both squads went scoreless until the Olympians pushed across a lone marker in the sixth but the home town gang retaliated in their half of the inning when James and Turner crossed the home sack.

Milt Long connected on two hits in three attempts to lead the local batting cage.

 and Selton, Theodosius and Licht.

Beverly Falls Before Tartar Horsehidors

"Tall Paul" Smith blasted out a solid hit to deep center field in the bottom half of the eighth inning with two out to lead the up and coming Torrance High Tartars to a sensational 4-5 comeback victory over Beverly Hills last Thursday at the city diamond.

Coach Cosby's boys surprised everyone as they captured their second straight extra-inning Bay League contest. This was the first time in two years that the Tartars have downed two consecutive league foes.

All-league hurler, Harry Theodosius, relieved "Alabama" Bishop in the second frame and received credit for the win allowing only four hits.

Smith, who failed to make the lineup in the previous Santa Monica game, came through with excellent hitting at the right time. The slugger collected two safeties in four trips to the plate.

Beverly combined three errors and four walks by Bishop in the initial inning to go two runs in front. Buddy Licht came home in the following frame for Torrance while Jim Taylor and Smith crossed the home bag in their third canto to exchange the lead.

Turner opened the inning for the locals with a hit and took second when Licht was hit by a bad pitch. Both runners advanced one notch as two Tartars flvvd out and Smith stepped up to the box to make his timely binggo.

Trout Season Opens Sunday In Most Areas

With the 1949 trout season at hand, thousands of local Isaac Waltons today are busy trying flies and dilling their favorite rods and reels, and overhauling their leaders.

The annual trout season will open May 1, in all California counties except Mariposa, Tuolumne, Alpine, Calaveras, Amador, El Dorado, Placer, Nevada, Sierra, Plumas and Lassen where the season will begin May 30, according to Lee F. Payne, local member of the fish and game commission.

Hours are one hour before sunrise to one hour after sunset. The bag limit is 15 fish, or 10 pounds and one fish any one day. The season will close in all counties October 31.

Trout fishing outlook in the county is regarded as good, according to the commission which disclosed that 143,330 trout were planted in local streams and lakes after October of last year.

Trout may be taken in Malibu creek from the mouth upstream two miles to the dam; Rio Hondo river, from mouth to Valley Boulevard bridge; Big Tujunga river, from mouth to Hansen Dam; San Gabriel river, from mouth to Valley Boulevard bridge.

Waters in Los Angeles county closed to fishing include: filtration ponds of the Los Angeles water department along south side of Los Angeles river between Victory Bridge on the east and Warner Brothers studio on the west; Morris Dam reservoir.

Lee warned that all fishermen over the age of 16 must obtain a license and that the license must be displayed above the waist and shown on demand of an officer.

Fish caught under authority of an angling license may not

Warriors Meet Bakersfield on 'Home' Track

Coach Amby Schindler's El Camino Warriors will make their only local appearance Friday, April 29th at 2 p.m. at the Leuzinger High School field when the play host to Bakersfield Junior College. Although the Warriors have participated in 12 previous meets this year, the duel meet with Bakersfield represents the only home appearance of the squad because of the lack of home track facilities.

Coach Schindler promises a new era in track history will begin next year when the Warriors have their own track and field. This year's squad of shot putters, discus throwers and javelin men have practiced on the Hawthorne City Baseball field and while men in other field and track events have been practicing at the Leuzinger High School field, Coach Schindler's track men are pointing for a victory in the duel meet.
