Women of Torrance Hear Challenge of Princess

A challenge to the women of Torrance to widen their horizons to include people of different racial and nationality backgrounds was given by Atalea, the attractive American Indian princess, at the National YWCA Week observance in Torrance last week. Drawing her illustrations from a variety of minority group situations in the United States and other parts of the world, Atalea made a sincere and dramatic appeal for broader understanding.

Atalea related that, at the instigation of a woman who felt strongly that war was unnecessary, a group of five Indian nations formed the first United Nations in America many years

ago. Women today, banded together in the world-wide YWCA, can take in leadership in the building of a peaceful world. YWCA is truly "your window to the world."

Mr. George Zavislan, Torrance High School music director, presented the high school a capella choir in a group of songs. Mrs. A. E. Palmer, chairman of the Torrance YWCA Committee, introduced the speaker and program. Coffee and tea were served from a graciously appointed table presided over by Mrs. John Van Cleve Morris and Mrs. Ben J. Hostmark, both YWCA staff members. Woman's clubhouse was decorated for the occasion with flowers in YWCA colors, blue and white.

STUDENT COUNCIL DIRECTS PTA MEET

Torrance Elementary PTA held a regular meeting Thursday at 7:30 p.m. in the school auditorium.

Speaker of the evening, Mrs. Gertrude Powell, chose as her

subject, "Interpreting Children's Art," which was presented in a most interesting manner and enjoyed by everyone. Special feature was a song and dance number by pupils of the Second Grade.

The meeting was held under the direction of the Student Council, with Sandra Constance, Sixth Grade pupil, acting as president.

Later, refreshments of cookies and coffee were served by the Second Grade room mothers and teachers. Mrs. Mary Ann Newman, serving as chairman.

The meeting scheduled for May 19, will be omitted because of the dedication of the new athletic field at the high school set for this date. Next regular meeting will be June 2.

LAS VECINAS

Members of Las Vecinas are resting up after a double-header last week during which was held a regular monthly club meeting on Thursday and the annual April dance on Saturday night, both at the Hollywood Riviera Beach Club. The dance was spotlighted as an April Showers Ball and the decorations carried out this theme. White crepe paper streamers were used effectively overhead to simulate clouds and rain. Huge branches of eucalyptus trees flowered overnight with bright balloon blossoms. Murals of giant sized May flowers made Lilliputian figures of the dancers. The dance was voted a success and more along this line are being planned.

At the regular monthly meeting on Thursday Mrs. Richard Blakeley, president, conducted the business of the day. Announcement was made of resigning elective officers and appointments made by the board to fill these vacancies. These are: publicity chairman, Mrs. Donald Steward to replace Mrs. Glenn Gregg; corresponding secretary, Mrs. William Beckman to replace Mrs. Albert Conover; hobby chairman, Mrs. Delbert Donk to replace Mrs. Craig Grover. Newly appointed members-at-large on the board of directors are Mrs. Everett Rowan and Mrs. William Whyte. Mrs. A. J. Patrosky was appointed community center chairman. Members of her committee are Mrs. Paul Barth, Mrs. Everett Rowan, and Mrs. Strohmeyer.

The board of directors recommended that Las Vecinas sponsor any scout troop that wishes sponsorship. Members voted and passed this recommendation. Also passing by vote was a recommendation to give financial support to the YMCA for playground and recreational facilities for children on a year-round basis.

Following the business meeting Mrs. Mathews Richards, corresponding secretary of the Los Angeles District Confederation of Women's Clubs, was the guest speaker. She gave a talk on the founding of women's clubs, the beginning of the national organization, and the expansion into an international force. Her talk included examples of benefits to be gained and given by women's clubs to

other clubs who must meet and solve many of the same problems. She stressed the motto of the Los Angeles District—which is "Strength United is Stronger."
