Board Okays County Budget

A preliminary budget of \$129,994,280 for Los Angeles County during the 1949-50 fiscal year was adopted recently by the board of supervisors which is \$59,214,605 under last year's total. However, the figure is \$451,453 over the budget proposed last Tuesday by county manager Wayne R. Allen as the result of revisions made by the supervisors later in the week.

If Allen's recommendations had been allowed to stand, the \$1,757.8 tax rate of 1948-49 would have been down 9 1/2 cents. The addition of \$451,453 boosts the tax rate by approximately one cent, lowering it to 8 1/2 cents.

Among the items tacked on Allen's original budget were \$20,000 for branch civic centers, Forester and fire warden, \$68,500, sheriff, \$240,000, Hacienda Park, \$40,000.

Unless further reductions are made in the budget during scheduled public hearings between now and June 31, when the budget must be adopted, the tax rate for next year will be \$1.6745.

In 1940 it took 64 goats to buy a \$950 automobile. It now requires but 21 goats to purchase a \$1600 1949 car.
