County Action Halts Vendors In P.V. Hills

Vendors will be prohibited from selling their wares or establishing their wagons on Palos Verdes Drive North, Palos Verdes Drive South, Palos Verdes Drive West and that portion of 25th street lying between the cities of Los Angeles and Palos Verdes Estates within unincorporated area, according to Supervisor Raymond V. Darby who presented the motion which was approved by the Board of Supervisors on Tuesday.

County Counsel was thereupon instructed to amend the necessary ordinances.

The growing hordes of vendors have proved hazardous to the increased traffic of weekend sightseers who have been flocking to Palos Verdes, he said.

At the same meeting, Chairman William Smith suggested that vendors be prohibited from selling their merchandise on the borderlines outside county parks. Such vendors have become tempting hazards to children who dash in and out of the parks and across the streets to buy refreshments.

Supervisor Raymond V. Darby submitted the motion that the Chief Administrative Officer, Wayne Allen, investigate the possibilities of leasing concessions within the parks for the sale of refreshments.

KIWANIS HEAR

Dr. Frederick A. Smith, director of the Lutheran Welfare Service and a member of the State Board for European Displaced Persons, Monday evening delivered a talk on Europe's displaced persons at the regular meeting of the Kiwanis club in Daniel's Cafe.

Dr. Howard A. Woods, club president, presided.

Net Proceeds of Double Burglary Amounts to \$2.32

Net proceeds of \$2.32 was the meager gain of a burglar who broke into the Torrance Blue Print Company and Pauline Ray's Beauty Parlor Saturday night.

Police reports filed by Captain Frank Schumacher and Patrolman John Maestri, of the Torrance Police Department, stated that the firms, both located in the same building at 2227 Torrance boulevard, were entered through a rest room window in the shop of the Torrance Blue Print Company. Entrance to the beauty parlor was gained by carving a hole in the plywood door separating the two firms, the report stated.

Report Given On Drive for New Street Lights

(ED. NOTE: With two other communities namely Kettler Knolls and Torrance Manor showing an interest in obtaining street lights for their respective areas we asked Lola Suter, our correspondent in the Seaside Ranchos, to give a report on the activities of the residents of that development to have lights for their district. Her report follows.)

By LOLA SUTER

Plans for the Carnival de los Ranchos on July 4 in Seaside Ranchos Park are shaping up into what promises to be a gala occasion for young and old alike.

The Carnival at Seaside Ranchos answer to a street lighting problem. The need for street lights in this newer section of Torrance was a problem for which residents could find no answer. The city offered the usual creosote light standards which were not satisfactory to most of the ranch dwellers.

A committee from the Home Owners Association looked into the question of ornamental standards suitable for the ranch-type homes. Two alternatives were presented: the total cost of the standards to be divided between the home owners (not enforceable—some would pay, some wouldn't); the second choice was added taxation. Neither of those two plans were acceptable to the home owners.

Then came the plan for the Carnival—the original idea suggested by Mrs. Paul Barth, 5322 Carol Drive, and enlarged upon by nearly every resident of Seaside Ranchos. The plan grew and with it the funds for the lights. The amount that has been raised so far is \$750. The total amount necessary is \$1980. Many original ways have been devised to raise money. Private parties have been going on for weeks and every week-end holds a full schedule.

Another square dance is planned for tomorrow night at the Hollywood Riviera Beach Club. A bring-your-own box supper at 7 p.m. will precede the dancing which will start at 8:30. There will be an instructor on hand for beginners. A Men's Baking Contest will be judged at 10:30 and suitable prizes awarded. The public is invited and the price is 75 cents per person.

The finale on July 4—the Carnival de los Ranchos—will be an all-day affair. There will be fun for the whole family including a parade starting at 10:30 a.m., a baseball game, races of all sorts, fireworks, and ending at 7:30 with a drawing for a Westinghouse television set. The public is invited.
