Reflections

By J. Hugh Sherfy, Jr.

"Where Have You Been?"

This question reaches to the core of our social amenities. A mother frantically calls her child, minutes later the child runs happily into her arms. "Where HAVE you been?" "Dad goes for a stroll, doesn't go anywhere in particular, comes home invigorated and mother asks, "Where have you BEEN?" When we return from a vacation, our friends ask, "WHERE have you been?" "WHERE have you been?" We meet an old friend we haven't seen in some time, and ask, "Where have YOU been?" A man is sent to prison, becomes a number, lost to the world. His greatest penalty is not steel bars but at night, alone, when his thoughts turn inward, searching every tiny crevice of his mind to find one person, other than the Warden, who cares enough to ask, "Where have you been?" That must be close to absolute zero of personal evaluation. Out of the hundreds of thousands of words can you think of a combination that is more complimentary than "Where have you been?" They mean we have been missed.

TREE STOPS CAR... after it went out of control on Pacific Coast Highway in WALTERIA last week. Although both the car and the tree sustained considerable damage, the driver received but minor injuries.

Five Points Has Another 'New Look'

Torrance's infamous "gunzel trap" five points intersection—was wearing another "new look" this week.

The latest attempt to improve the motorists' nightmare consists of one asphaltic island and a strip, somewhat simpler structures and channels than had been at the intersection for more than a month previous.

City Manager George W. Stevens stated that as soon as a pattern is found that proves to be the best, the city will install concrete structures instead of the temporary asphaltic guiders.

Services Held For Mrs. Bonnell

Funeral services for Mrs. Naomi Graves Bonnell, of 814 Madrid avenue, resident here for 21 years, were conducted yesterday afternoon in Stone & Myers Chapel, Rev. Paul Moore Wheeler, of Newport Beach Episcopal Church, and formerly of St. Andrew's officiating. Interment followed in Green Hills Memorial Park. Pall bearers were Drs. Eugene L. Cook, and Kurt Shery and Messrs. Frank Frohnoefer, Lester Larson, Rex Grasinger, and Russell Martin.

Mrs. Bonnell, who for five years served as chief clerk of Torrance Area Selective Service Board, passed away in a local hospital following two and a half years illness. She was a member of Oakland Chapter, Order of the Eastern Star.

Survivors are her husband, Wilbur E. Bonnell and a son, Robert E. Michelsen of the home address, and a brother, Emery G. Thompson, of Ben Lomand, California.

Car Hits Tree, Three Injured In Auto Smash

An unidentified driver who performed a "U" turn on busy Pacific Coast Highway was allegedly responsible for a two-car crash which damaged both cars and sent three men to the hospital Thursday afternoon.

Almost completely demolished was the car being driven by Roy E. Damm Jr., 32, of San Diego, which slammed into a tree directly in front of the well-known "Fish Shanty" restaurant near WALTERIA. Injured along with Damm when the car hit was his passenger Arthur Fritton, San Diego. Also injured was Lamberto Rovere, 58, of Los Angeles.

According to police witnesses claimed that an unidentified car made a "U" turn in front of Damm's vehicle; the latter swerved to avoid collision, side-swiped Rovere's car and then lost control of the auto and crashed into the tree.

Funeral Today For Co. Head

Funeral services for Thomas Frank Gill, 47, of 17518 Arling-ton avenue, have been scheduled for two o'clock this afternoon in Stone & Myers Chapel, Rev. John E. Orr officiating. Interment will follow in Roosevelt Memorial Park.

A native of New York, Mr. Gill, owner of Gill Employment Agencies, Redondo and Hawthorne, had made his home here for the past two years.

He is survived by his widow, Mrs. Sarah Elizabeth Gill of the Arlington avenue address.

Mexico Jaunt Slated For YMCA Youths

It will be "south of the border", this week-end for some 40 Torrance youths of the Y.M.C.A. The group, accompanied by Bud Lee, Van Vanderpool, Scotty Scott and Mill Isbell, executive secretary of the "Y", will leave town early Saturday morning by chartered bus for the junket down the coast, and visit to Tijuana, Mexico.

Isbell said that the youths will stay over for a night at the San Diego Y.M.C.A., where they will take advantage of the indoor plunge. Trip plans also call for the boys to tour San Diego's world famous Balboa Park Zoo.

Among those boys who have definitely signed for the excursion are:

Harold Aria, Albert Barajas, Douglas Bergen, Norman Bogan, Charles Bradford, Roland Cobb, Mathew DeGutes, Dal Drouain, Dorsey Gruver, Jack Hanson, Wesley Hanson, Mike Huard, Wally Hudson, Bobby Lee, Roy Licht, Ronnie Matherley, Burl Ray McDaniel, LeRoy Moore, Billy Morris, Jimmy Paget, Gilbert Pike, Joseph Rubeo, Bobby Scarborough, Donovan Schram, Dickie Scott, David Shinoda, Paul Shinoda, David Summers, Paul Dierx, Tommy Vanderpool and David McNary.

24 New Residential Permits Issued

Building permits valued at a total of \$100,400 were issued last week for 24 homes in the North Torrance area, according to John Patrick, building inspector. They are part of a housing development totalling almost 100 units planned in the area by the C. F. Steinen Co. of Downey.
