

Trout Season Opens May 1 In All California

Trout season will open on May 1 throughout the entire state, it was voted Jan. 30 by the State Fish and Game Commission.

The Commission also:

- 1—Approved a State-wide all-year opening for the taking of black bass.
- 2—Reduced the limit on salmon from five to three in some areas and two in others.
- 3—Reduced the limit on Pismo clams from 15 to 10.
- 4—Set a limit of six for mullet in Salton Sea, Imperial Valley.
- 5—Adopted season dates for streams, emptying into coastal waters, details of which will be announced next week.

The May 1 State-wide opening on trout was urged by Henry Clineschmidt, Redding, president of the Associated Sportsmen of Northern California, and Gus Gustafson, San Francisco, past president.

It was opposed by Allen C. Taft, chief of the Bureau of Fish Conservation, who had recommended May 1 opening for 16 Southern California counties and May 30 for the remainder of the State.

HOW'S THE FISHING

Ocean Park Pier: Good catches of barracuda, bonito and halibut were made a couple of days last week. Fishing slowed up over the weekend. A good catch of rock cod was made also.

San Pedro—22nd Street Landing: Good catches of rock cod were made recently with fish to 16 pounds reported.

San Pedro—Cabrillo Beach: Good catches of rock cod and white fish have been reported during the past week.

Long Beach—Pacific Water Taxi Landing: Good catches of rock cod have been reported.

Long Beach—Sportfisherman's Dock: Rock cod fishing continues good according to reports.

Surf Fishing: Fair catches of perch have been reported along the surf from Ventura to Santa Barbara. Some steelhead are reported in the surf near the mouths of Malibu creek and the Ventura and Santa Clara rivers, with only an occasional fish hooked.

Punta Penasco—Mexico: A recent scouting trip was made by Parent and Salsbury of the Outing Bureau, who found fishing slow with only a few small baya (sea bass) and pinta being taken. The Casa de Cortez Hotel has the best accommodations to be found here.

Fresh Water

Lake Henshaw: Fishing has

Dates Set For Prep Tourney

Dates for two Southern California invitational prep basketball tourneys were announced this week by the C.I.F. The Beverly Hills tournament for varsity quintets will be staged Feb. 27-28, while Santa Monica's annual Class B tournament is limited for Feb. 21-22. Both are billed to 16 quintets.

JANUARY DANGEROUS

January is the most dangerous month in the year for pedestrians, according to the Public Safety department of National Automobile Club. Wet and icy pavements that make it difficult for motorists to stop, blinding rain or snow, and longer hours of darkness, all combine to give this month the highest pedestrian death rate.

been good recently with crappie, bluegill and bass reported. On windy days fishing has been poor.

Lake Havasu: There has been lots of wind and fishing has been poor.

Due to the fact that much of this information is based on weather conditions it is recommended that readers call the Outing Bureau of the Automobile Club of Southern California for last-minute reports.

Bicycle License Need Cited By Police Chief

Boys and girls who received new bicycles at Christmas were warned by Police Chief John Stroh that all such vehicles must be registered and licensed immediately. Other owners of bicycles were also cautioned that registration of bicycles for 1947-48 were now six months overdue and that any boy or girl who has not secured a license is delinquent.

Bicycle owners can secure licenses any Saturday morning at the police station by bringing the bicycle to be registered. Fee for the license is 50 cents for a new recording and 25 cents for a renewal.

Chief Stroh warned all cyclists that they are subject to the rules and regulations of the California Vehicle Code and as such are subject to the governing laws the same as automobiles. Bicycle riders must give arm signals, turn from the correct lane, ride on the right side of the street and obey traffic signals as any other vehicle. The police chief pointed out that it is unlawful to ride or park on the sidewalk.

Torrance Man Held For Vets Embezzlement

Arrested by Federal agents on charges of embezzling \$10,269, Benjamin C. Kuehling, 36, of Torrance, former cashier at the Veterans Administration offices at 1031 South Broadway, will face arraignment in Federal Court next week.

According to the indictment issued by Asst. U. S. Atty. Ernest A. Tolin, Kuehling appropriated the funds turned over to him by veterans as payments on government life insurance while he was serving as a cashier last year at the central VA office.

Federal agents said Kuehling spent most of the money at race tracks and night clubs.

Pending arraignment Kuehling is free on \$2500 bond.

Eagles Annex First Half Cage Title

Ed Coury's Redondo Eagles clinched the first round championship of the Torrance Evening Hi-City Recreation's Major League in the second game of a double bill played Monday evening at the local high school site. Paul Wierk, husky 6-foot, 37-inch center, dumped in four points to establish a new league individual scoring record in a single game. He came within two points of equaling the total scoring of the opposition in this game in which the champs downed the tired but scrappy Torrance Merchants 86-39. Al Widner starred in scoring for the losers, ringing up eight field goals for a total of 16 points.

In the first game of the evening Klink's Cabrillo Mart won second place in the standings by outscoring Goodyear Synthetic Rubber 65-34. Marv Lee, former Torrance High and U.C.L.A. career star, hit the hoop for 16 markers to head up the winning attack. Woody Coleman, last year's scoring champ, spearled 15 counters to again lead the Goodyear team in scoring.

Next Monday's schedule will produce a contest that may develop into the game of the year as the first place Eagles and the second place Klink's teams square off at 8:30 p.m. Fenwick's Shoe Repair and the Torrance Merchants fives tangle in the curtain raiser.

Summaries:

Klink's (65) G. Lee (4), F. Kelly (7), Marv Lee (16), M. Marienthal (2), G. Robertson (5), G. Wheaton (7), D. Wheaton (11), A. Woodcock (4), L. Stanley (1), D. Robinson (2), Goodyear Synthetic Rubber Co. (34) H. Rowlin (1), Anderson (4), R. Guy (4).

Eagles (86) M. Wenzel (11), J. Scotting (12), P. Wierk (37), J. Barkhill (8), R. McLelland (2), E. Graff (4), G. Ed Trent (10).

Merchants (39) J. Barkhill (12), A. Widner (16), V. Barnard (8), Ed Trent (10), N. Malone (20), Goodyear Synthetic Rubber Co. (34) B. Leech (1), Hutchinson (1).

Schedule Monday Feb. 9, 7:15 p.m. Torrance Merchants vs. Fenwick's Shoe Repair; 8:30 p.m. Klink's Cabrillo Mart vs. Redondo Eagles; (Goodyear Synthetic Rubber Co.) By.

EVENING CLASSES OPEN FOR SECOND SEMESTER

The second semester program of Torrance evening school started Monday evening in Torrance High School. New registrations were taken at that time in all classes on the schedule, it is announced.

The full program will be offered as presented last semester, with new subjects being offered as registrations require.

Monday evening classes will include: Bookkeeping, typing, public speaking, dramatics, sewing, Spanish, physical education, woodwork and drafting.

Tuesday evening classes will include typing, U. S. history, book reviews, creative writing, review of English, physical education and mathematics review.

Wednesday, shorthand, typing, floristry, Spanish, sewing, physical education and upholstery will be taught.

On Thursday, classes will include photography, typing and physical education.

Additional classes will be added at any time, as soon as the necessary 15 registrations are obtained. There is no charge for attendance, and any student may attend as many classes as possible, it was pointed out.

Reelection Of Simpson Asked By Local Group

Three Torrance men are on the executive committee for the reelection of W. E. Simpson as district attorney, it was announced this week by Frank P. Doherty, general chairman.

Serving on the Torrance, Gardena and Hawthorne committee are John A. Shidler, justice of the peace; Albert Ison, attorney; and Grover C. Whyte, publisher of the Torrance Herald; Melanie Dwyer, attorney of Hawthorne; and A. L. Platky, councilman, Gardena.

Simpson said in his statement of candidacy for reelection: "My decision to seek reelection to the office I now hold is based on a desire to continue in effect the policies that have controlled the administration of the office since I became district attorney. It is my sincere belief that the district attorney can best serve all of the people of the county by refusing to permit consideration of political advantages or disadvantages to influence, in the slightest degree, the policies of the office. No public prosecutor can honestly serve the people if he uses his office to further his own political ambitions. I have strictly adhered to this belief and have directed the office as I believe the people want it directed.

"I am certain also that there exists between this office and other law enforcement agencies a closer spirit of cooperation than has existed for many years. Our common interest is fair and impartial law enforcement."

Region Lions Meeting Here

More than 300 members of Lions clubs of the Bay region, including Torrance, San Pedro, Redondo Beach, Long Beach and other nearby communities, will gather in Torrance Civic auditorium on Feb. 18 for a regional meeting, according to Dr. Rollin R. Smith, zone chairman.

The affair will be a dinner meeting addressed by Dr. Hugh Tiner, president of Pepperdine College, and will deal with the opportunities of service clubs to serve communities, Dr. Smith said.

Health Officer Says Venereal Cases Dropping

ROY O. GILBERT, M.D., Los Angeles County Health Officer

In the past 10 years, adult deaths in the United States due to syphilis have dropped an estimated 40 per cent. In the same period, infant deaths from this disease have decreased 60 per cent. Only 10 years ago the number of persons admitted to mental hospitals because of syphilitic insanity was 7.1 per 100,000 population; in 1944 records show the number to be 5.8 per 100,000.

Certain basic principles in controlling the venereal diseases have been applied during the past decade.

In 1935 only one state required a blood test for expectant mothers and in no state was it compulsory for marriage applicants. Today 35 states have made a provision for prenatal tests and 36 states for premarital tests. Supplementing these official case-finding measures are the ever-increasing number of routine tests made by physicians and hospitals throughout the country.

Private physicians report more than 35 per cent of all syphilis discovered. Investigation of these cases by public health workers makes it possible for contacts to receive treatment.

Education of the public to the dangers of neglected venereal disease has no doubt aided in preventing new cases and in bringing old ones to treatment.

The United States still has a tough and tedious job ahead if it hopes to reduce the venereal diseases to negligible infections, something that has been done in the Scandinavian countries.

Centinella High Adult Classes Begin Semester

The new semester for the Adult Education Division of the Centinella Valley Union High School District, 935 S. Grevelia Ave., Inglewood, begins the week of February 9.

New classes being offered in the day time are jewelry making and an additional session of ceramics and pottery on Wednesday afternoon.

New evening courses include advertising, salesmanship; light opera chorus; communication problems in every day life—semantics; a new section of photography and applied psychology.

New trade and industrial classes include a class in radio service and maintenance, which includes basic information for television and reconstruction of sets; a new class in applied blueprint reading for inspectors, fabricators and layout men in aircraft industry; a class in tool design and mechanical drafting; as well as a few openings in commercial art and production illustration.

Warren To Talk In L. A.

Los Angeles County Republicans will be led by Governor Earl Warren in commemorating the 139th anniversary of the birth of Abraham Lincoln, the "Great Emancipator," who also was the founder of the party.

In his first public appearance in Los Angeles this year as a candidate for the G.O.P. nomination as president, Governor Warren will be the principal speaker at a Republican rally and dinner to be held at the Alexandria hotel on the evening of next Feb. 12th.

MARGARET ST. SEWER CONTRACT GIVEN TO CHORAK

County surveyor has recommended that the Board of Supervisors award contract for construction of sanitary sewers in Margaret street, Torrance, to Chorak Construction Co., 1312 S. Gerhart avenue, on a low bid of \$6,826.

BE WISE... ECONOMIZE! FOR WISE BUYS... BUY ANN PAGE!

THIS WEEK, LOOK FOR THE "WISE OWL" IN YOUR A&P

Ann Page Foods are too good to miss... that's why we're featuring a little "wise owl" in A&P all this week to identify them. And, make no mistake, when you select an item bearing the Ann Page label you're getting a wise buy... for Ann Page Foods are A&P's finest, made in A&P's own modern food factories under rigid quality control, yet priced modestly. Try them... satisfaction guaranteed or money back. Some typical values:

Blended Syrup	Ann Page	8-oz. jar	21¢	Pineapple	Preserves	1-lb. jar	23¢
Mayonnaise	Ann Page	8-oz. jar	21¢	Marmalade	Orange	1-lb. jar	19¢
