Youth Band, Queen Contestants To Appear On Opening Night

The Pennant race is on!
Tuesday night at 8 o'clock the Torrance Scuttlers of the National Niteball League clash with Garden Grove in the opening game of the 1948 season, in Torrance ball park.
The usual fanfare and ceremonies that are a part of opening game activities will take place *preceding the game.
The Torrance Area Youth band will play

band will play.

The first ball will be thrown in by one of the four Torrance Queen contestants who will be guests-of-honor of Dick Cuttle, who owns the Torrance fran-

Softball addicts from all over Southern California will see some of the fastest, hardest to hit pitching in the country when the eight teams in the league come to Torrance on Tuesday and Friday nights. Among the fastest pitchers is Ted Carlsgarrd, (also blessed with a very elusive change-of-pace) who went to the National PlayOffs in Cleveland last year only to be ruled out by the officials because of his peculiar style of pitching. Ted has pitched as many as 17 no-hit innings.

Many softball and baseball fans will recognize some familiar names among the Scuttlers lineup which includes:

Nick Boden, 195-pound catcher from Compton; "Dick" Fitz, left-handed outfleider and first baseman, and former Compton High football and baseball captain; Marvin Taylor, Long Beach City College star first baseman, and former Compton, and the same pedro Athletic Club team who went to the Cleveland PlayOffs ias year; Bob Costa, another member of the 1947 San Pedro A. C. team, who play shortstop; Claude Bachtelle, centerfielder from Wilmington who played with Cuttle last year; and 220-pound "Mickey" Colmer, playing first base for the Scuttlers and keeping in shape for football season and the fullback spot
