## MYSTERY HOUSE

Winchester Mystery House, a touring attraction located three miles west of San Jose, is reported to have been under construction for 36 continuous years and to have cost more than \$5,000,000. The house has 160 rooms, 47 fire places, more than 2,000 doors, at least 10,000 windows and 15,000 panes of glass. Construction was halted in 1906 when the eccentric Mrs. Winchester interpreted the earthquake as an expression of displeasure by the spirits.

## RETIRED OFFICERS

Seventy-five percent of Navy commanders retired since 1940 are receiving disability pensions, whereas 99 percent of Army majors retired are so listed.
