### Gardena Will Get \$200,000 Sports Center

Work was scheduled to begin this week on a \$200,000 sport center for the Gardena bowling bowl on Vermont avenue, following award of a contract for its construction by E. L. Thornburg.

Located at 157th street and Vermont avenue, the project is backed by some 50 Gardena business men, organized under the name of the Gardena Bowling Center, Inc.

The building will be of brick construction, with provision for 16 alleys and an eight-table billiard room. A large parking lot adjoins in the rear of the building site.

Some 400 bowling teams in Gardena valley are expected to bowl in the new sports center when it is completed in approximately three months.
