Speaker Lauds Service Club

(Continued from Page 1-A)
at Detroit University, said it was gratifying to know that the Lions were encouraging education among youth by awarding an annual scholarship.

"Preceding generations did not completely satisfy the youth of the present day, which is a thinking group," Father Kuhn said. "It is necessary for us to know what we stand for as Americans—not merely the material aspects of life—but the political, the economic, the social and the intellectual must be considered."

"The older generations must have definite programs," said Father Kuhn, "otherwise they will fall youth because they will not be able to answer the questions that youth today wants to know. Certainly this Lions club, through your scholarships has a most worthy objective, to encourage the youth of today."

Guests at the luncheon included Mrs. Evelyn Hood, and Mr. and Mrs. Grover C. Whyte. New officers of the Lions Club will be installed Friday night at the Mermaid Cafe in Hermosa Beach, when Albert Isen, local attorney, will yield the office of president to William T. Greene, proprietor of the Time Shop. Other new officers will be Dr. Don Moskos, Albert Ewalt, F. S. Selover, Roy Winters and Nestor Farris.
