## July is the Time...

. to save more and to place your Savings, Federally insured up to \$5000, where they will earn more.

July is a traditional month for reinvestment. For 25 years American Savings has always paid a *higher* than average return on Savings.

Now we are paying a current rate of 3% per annum which is double or riple that paid by many Savings Institutions, also offering Federal security, where Savings earn only the old 1% or

It takes but 5 minutes to open or transfer your account to American Savings. Drop by today and make a start . . . big or small. Interest here is compounded semi-annually.

> Funds received on or before the 10th of the month earn from the 1st.
