

MIDGETS TEST NEW ROSE BOWL BOARD TRACK

The much discussed question as to whether eastern race drivers are superior to Southern California drivers may be settled on the new board speedway in Pasadena's famed Rose Bowl where an 8-week small car racing program opened Wednesday night, July 28.

Heading the list of eastern invaders was Dee Toran, winner of 17 feature races in the New York area this summer. Toran and other top pilots from Atlantic coast tracks matched driving skill with Sam Hanks, "Bullet" Joe Garson, Manny Ayulo and other local favorites.

Scuttlers Will Not Play Here in '49 Says Sponsor

Dick Cuttle, sponsor-manager of the Scuttlers of the National Nitelball League, announced this week that he was pulling his team out of Torrance next year. The Scuttlers played their last game before local fans July 16 against Garden Grove and for the next scheduled home game, which was against Santa Ana, Cuttle took the two teams to Daniels Field in San Pedro. Cuttle stated that a consistently poor gate was his reason for withdrawing from the local sports scene. He stated that he may take his National team to Houghton Park in Long Beach for the next season. He said that he considered re-applying for permission to play in San Pedro but an over-loaded schedule of games at Daniels Field whittled his chance of calling San Pedro a home port during the 1949 season.

CUBS DROP FINAL TILT

Lions Cubs failed to bring the Swordfish of Hermosa Beach Boys Club to gaff last Saturday in a softball tussle for the championship of the second round of the South Bay Junior Athletic league by losing the scrap, 7-3.

Played at Clark Stadium in Hermosa Beach, the contest started with both teams undefeated in the second round. The win for Hermosa gave them the undisputed championship of the league as they also won the first round without a defeat.

Jimmy Murphy was robbed of a nice homer in the sixth by a brilliant catch by the Hermosa's centerfielder. A bad third inning cost the Cubs three runs on one hit and two errors.

Lions Cubs R H E
Cubs 1 0 0 0-3 2 4
Swordfish 3 0 0 1-7 5 1
Batteries: Bob Moon and Jamie Brown, John Brey and Gene Shaw.

Midgets, Bikes Share Weekend Bill At Carrell

There's never a dull moment in the racing picture at Carrell Speedway, that banked, half-mile dirt oval at 174th and Vermont, Gardena, as racing director J. C. Agajanian continues to give the fans variety in several types of racing each week.

For instance, after last night's terrific roadster hot rod show, Agajanian comes right back with a double barreled show on the weekend-midget cars of AAA circuit, and featuring all of the leading drivers in Southern California on Saturday, and the best two-wheel pilots of motorcycles in several nations take over the plant for a "T.T." championships event Sunday night.

After that, "Aggie" comes busting right back with another big 77-lap Roadster Hot Rod show next Wednesday, Aug. 4. All the shows at Carrell Speedway begin with qualifying trails at 7 p.m., and the first race, a trophy dash for the fastest qualifying cars, at 8:30 p.m. In all the shows, inverted starts, that innovation of racing which forces the fastest cars to start last, is in vogue.

CHAMPIONS — Sam Sunseri, Goodyear's ace pitcher (center) and Manager Carl Brady were on hand to assure their new, long-acquired Torrance Herald Perpetual Trophy a prominent spot in the company's trophy case when Jack Baldwin, left, sports editor of the Herald,

delivered the plum for winning the 1948 Industrial League championship. Goodyear defeated Columbia Steel for the title in two games played last week. The trophy will be permanently awarded to the team which captures the league crown three times.

Contreras Makes Fistic Return To Wilmington

One of the finest all-around boxing cards this season—and there have been some corkers—will be on the books for the Wilmington Bowl tomorrow (Friday) night. Headed by a double main event, and with the added attraction of the return to action of Tony Contreras, the appearance of boxing's new "Gorgeous George" and the Wilmington civic leaders escorting the Fiesta "Queens," the show has all the earmarks of a three-ring circus.

There will be no raise in prices. Headline bouts on the show bring out a rematch of last week's "show stealer," that featherweight draw between Jesus Morales and Al Bernal, while in the first half of the double main event Frank Kinard, a March Field heavy-weight, takes on "Silent Sam" Judd.

Contreras, out of action for several months, but still rating as one of the most popular lightweights in the Harbor area, will return to action against lanky Willie Crawford of Los Angeles in the semi-final.

The new "Gorgeous George" of boxing, Roy Jennings, who gained his cognomen by entering the ring last week with everything but an umbrella, a valet and an atomizer, will take on Frank Chavez, a rough little fighter from San Pedro. Jennings hails from Redondo Beach.

Civic club leaders of the Harbor area, preparing for the big Fiesta in mid-August, are expected to be out en masse, accompanied by the Fiesta queens. First preliminary bout begins at 8:45 p.m.

Certificates for Vets at Local Center

The Veterans Service Center of Torrance today urged veterans who plan on entering school this fall under either the state or federal program, to file now for their certificate of eligibility.

By filing early, veterans can be assured of receiving their first subsistence checks with a minimum of delay. Those veterans who do not secure their certificates prior to registration may have to pay their own fees for tuition, books, and other materials.

Certificates of eligibility may be applied for through the Veterans Service Center at 1339 Post avenue, Torrance. Complete copies of discharge must be submitted when filling.

Bag Limits on Deer, Bear, Birds, Set by Commission

The estimated half a million California hunters who plan to take to the field this fall will find hunting seasons and bag limits generally similar to those set last year by the Fish and Game Commission.

Regulations passed by the Fish and Game Commission in April have now become law and include three separate deer hunting seasons in five California regions, a longer bear season with a larger bag limit, and a 10-day pheasant hunting season.

The south coastal area is composed of San Luis Obispo, Santa Barbara, Ventura, Los Angeles, Orange and San Diego counties, and portions of Kern and Riverside counties. A one-buck limit will apply in this area between Aug. 7 and Sept. 6.

Bow and arrow hunters may take deer with a special permit for a 10-day period preceding the regular hunting season in any area. Under the provisions of a new Commission regulation, bows must have a minimum pull of 50 pounds, and arrows a minimum weight of 457 grains.

California's brown bear, of which there are an estimated 20,000, may be taken by bow or arrow or firearms between Oct. 23 and Dec. 31. Bag and possession limit has been upped to two bears. Seasonal bag limit is two. No trapping is permitted.

Upland game bag limits remain the same as in 1947. Two male pheasants per day and 10 per season may be taken between Nov. 19 and Nov. 28. Eight quail per day and 16 per week may be possessed between Nov. 19 and Dec. 31.

Tree squirrels are legal targets in districts 1, 25, 23 and 134 between Nov. 19 and Dec. 31. Bag limit remains two per day and 12 per season.

Hunting for all species of rabbits in six Southern California counties has been set between Sept. 1 and Dec. 31. The regulation is effective in districts 4, 44, 46, 19 and 22. In the rest of the state brush and cottontail rabbits may be taken between Nov. 19 and Dec. 31.

There is no closed season on jackrabbits except in the five Southern California districts. Bag limit for cottontail and brush rabbits remains eight per day and 16 per week. There is no bag limit on jackrabbits. Between Nov. 19 and Nov. 28 shooting hours for all upland game will be from 8 a.m., Pacific Standard Time, to one-half hour after sunset. Following the close of the pheasant hunting season on Nov. 28, shooting hours for quail, squirrels and rabbits will be from one-half hour before sunrise to one-half hour after sunset.

The State has been divided into five regions for the 1948 deer hunting season. The north coastal area, which is composed of Del Norte, Humboldt, Siskiyou, and portions of Siskiyou, Shasta and Tehama counties, will have a two-buck bag limit between Sept. 16 and Oct. 15. Deer hunters in the central coastal area, which includes Mendocino, Glenn, Lake, Colusa, Yolo, Sonoma, Napa, Solano, Marin, Contra Costa, San Francisco, Alameda, Santa Clara, Monterey, Santa Cruz, San Mateo and San Benito counties, and the western portions of San Joaquin, Stanislaus, Merced, Kings and Fresno counties may take two bucks between Aug. 7 and Sept. 15.

Hunting in the rest of the State will be legal between Sept. 16 and Oct. 15 with a one-buck limit. (Buck means portions of Riverside, Kern, Kings, Fresno, Merced, Stanislaus, San Joaquin, Tehama and Shasta counties, the Sierra area embracing Imperial, San Bernardino, Inyo, Mono, Tulare, Mariposa, Tuolumne, Alpine, Amador, Sacramento, Calaveras, El Dorado, Placer, Sutter, Nevada, Yuba, Sierra, Plumas and Butte counties.)

No forked horn deer may be taken in the Lassen-Moder area, comprising Lassen and Modoc counties, and easterly portions of Siskiyou and Shasta counties. Between Sept. 16 and Oct. 15, a one-buck bag limit will apply.

Veterans Will Get Dividends on Insurance

J. G. Caldwell, director of the Veterans Service Center, today warned veterans of World War II that writing to the Veterans Administration will only delay payment of dividends on National Service Life Insurance scheduled to be paid almost all former and current policy holders. (Eventual payment of dividends, possibly within a year, is the result of a recent Supreme Court decision which made possible the release of perhaps as much as \$2 billion in surplus.) Caldwell said actual policies also will be issued after several months to those who have converted their insurance from the term plan.

His staff is prepared to assist former service men on insurance matters or any veteran benefits in his office at 1339 Post avenue, Torrance.

JEOP REPLACES HORSES

With the delivery of ten jeeps to be used for law enforcement work, the Division of Fish and Game this month ends the 98-year regime of the horse as official transportation for employees of the State of California.

Rifle Ban Postponed

The proposed ban on the use of rifles of less than 25 caliber in hunting big game, and other firearms rulings which were to take effect this year have been postponed by the California Fish and Game Commission. The regulations will be enforced after July 1, 1949.
