"Anything Goes" Viewed by YWCA Young Adults

On Wednesday evening the YWCA Young Adults enjoyed another light opera in their Theater Night series.

"Anything Goes," featuring the music of one of America's favorite musicians, Cole Porter, was the drama of the evening, selected by popular demand of musical patrons of Los Angeles and vicinity.

Almost everyone knows the name of Cole Porter, but few know the story of his life. He was born in Peru, Indiana, in 1893, and at the age of six began his study of violin. Traveling to the east, he was graduated from the Worcester, Massachusetts Academy and he received his B. A. at Yale in 1913. Although he began to study law, he loved his music so much that he transferred his efforts to this field, studying in Boston at the Harvard Music School, and in Paris at the Schola Cantorum. Cole Porter enlisted in World War I in the Foreign Legion and later served in the French army.

Gertrude Nielsen, who began her career after singing a successful solo in chapel, stars in "Anything Goes" and Johnnie Johnston's singing was featured in "Roll the Clouds Roll By" and now is playing in a movie musical, "This Time for Keeps."

Fuster West, the superb comedian in the show, has played in George White's Scandals, Upsa-Daisy, and for the past two years starred in "The Red Mill."

The audience thoroughly appreciated Cole Porter's music as rendered by Jaye Rubanoff, musical director. Also, the dances and ensembles were unique and not-to-be-forgotten.

Next Wednesday evening the YWCA group will attend Magdalena a world premiere showing at the Philharmonic.

Mr. and Mrs. J. A. McVeigh of 1214 Lomita Blvd., are expecting their uncle and aunt, Mr. and Mrs. Leroy Smith of Stockton, to arrive today for a visit. While here they will also see their son, LaVerne Smith, who is completing his basic training at the San Diego Naval Training Station.

Early next week the McVeighs are expecting more guests. Mrs. Frank Pearson and four children of Denver, Colorado, will arrive for a week's vacation.

It is not your meat dealer's fault that meat prices are high. The price you pay for meat at A&P reflects only the increased costs of meats to us. The difference between A&P's cost and our selling price on meats—covering rents, salaries and other expenses—is actually less than a year ago. There has been no deviation from A&P's policy of selling only U.S. Graded "Choice" or "Good" meats! Consider that fact when you compare meat prices.

WHAT DOES "U.S. GRADED CHOICE OR GOOD" MEAN?

Nearly all meats are U.S. Government Graded and Inspected . . . but there are many different grades. At A&P you buy only Grades "Choice" and "Good." These are the two top grades of meat. If the meat you are buying is not graded "Choice" or "Good," you are not getting full value for your dollar in tender, juicy, good-eating meats.
