## Tarbabes Open Against New School Today

Coach Cliff Graybehl's Class Bee pigskinners will take to the highway this afternoon bound for John Burroughs in Burbank where they will open the '48 season against the unknown power of a new school.

Just what the outcome of the game is likely to be is purely a matter of "wait and see." Since neither squad has had a contest against an outside team, the power and the weakness of both squads are the unknown quantities.

Though Burroughs is a new school it does not follow that they will have a weak team. The same situation facing Coach Cole and the varsity is likely to be facing the Tarbabes. When the new school opened this fall the varsity had six lettermen transfer from Burbank High School. Coaching them in the same style of play was their former coach at Burbank. This same situation might be facing Coach Graybehl. The Burroughs is likely to have a powerhouse and again they might be starting from scratch.

## Hecellaw— Optimist Clubs Will Clash in Donkey Baseball

The Barn Yard World Series will be held in Torrance a week from Saturday when the Optimist Clubs of Lomita and Torrance meet in the pasture at the city park to decide who can play the best Donkey Baseball.

A feud between Boris Woolley and Ron Coil, presidents of the Torrance and Lomita clubs respectively, will be settled on the field of honor before the game. The two presidents will charge at each other aboard their sometimes reluctant mounts. A boxing glove on the end of a 6-foot pole will serve as a lance.

Lomita won the series opener recently at Lomita Park when they out-trotted the Torrance club, 7-6.

Proceeds of the affair will be put into the Boys Work Fund of the Torrance club and will be used in assisting the prevention of juvenile delinquency in this area.

## Tenpin Topics "TOOTS" YARBROUGH

It looks like the winter bowling season is all set to go full swing. The confusion of the first weeks is over and the high scores are beginning to come in.

Jess Crawford topped the scores in the 6:45 Industrial league with his 545 series last Monday night. V. Smith rolled a 216 high game for the evening. J. Riou set himself up in the top spot with his 562 series in the Monday night 8:45. Gene Chambers' 203 was the high game effort.

Fred Dupont came through with a ripping 243 game in the 8:25 Scratch on Tuesday night. Gil Bennett missed a big 600 series by a slim six stick margin for a nice 594 series.

Jack Bassett banged out a 215 game and a 558 high series in the Wednesday 6:45 Mixed for all the honors. Thelma Knox topped the gals with a 180 game and a 467 series.

Lloyd Grounds out-rolled the slickers in the 8:75 Scratch last Thursday night with a nice 225 game. Short Yarbrough's 609 was good for high series.

Earl Needham held up the local honor this week by winning his match from Larry Kent or "101 Bowl" by 50 pins. The boys rolled seven games at "101" last Friday night and the remaining seven games at Torrance on Saturday night. Earl stacked up 25 pins in each house for the 50 total.

Don't forget girls, be here at the Torrance alleys on Thursday afternoons for the afternoon league and the Sally Alley radio program afterwards.

## Tartars, Jordan Only Bay Loop Winning Teams

Long Beach Jordan, the Tartars' first opponent in the 1948 Bay League Pennant race, was the only Bay League team besides Torrance High who won its initial practice game, a survey of weekend football results disclosed.

Cole has dubbed the not-too-rare disease as Backfield Biggerheads!

"We played good ball against Covina. Everybody who saw the game knows that. And so does our backfield!"

He continued, "It was our season's opener and it is a nice feeling to know we won it, but all that glitters is not gold. For instance, Mike Goettsch's shoulder is still pretty sore. We have been working him lightly. Perhaps this has had an effect on the rest of the backfield. They will have to have more fire than they have shown since the Covina game or we will be driving back from Leuzinger Stadium with a bus load of very quiet boys."

"We will be starting the same backfield lineup as last week but the way this boy Boyd Crawford has been going here on in. That boy can play any spot in the backfield with equal ease."

The fact that this game will be the first of the season for John Burroughs High School of Burbank doesn't seem to be worrying Coach Elvin Hutchinson as much as it does the local staff.

In a way this weekend's game is the first in Burroughs' history since it is a brand new school, and in a way it isn't. Though the school just opened its doors, Coach Hutchinson has six returning lettermen. Here is how it all happened.

Burbank High School was getting too big for its size, so like an amoeba it divided and formed a second high school—John Burroughs. Hutchinson was Burbank's coach. He moved to the new school and six of his lettermen were transferred also. This turn of affairs resulted in Hutchinson starting a new school with six returning "B" men— which stands for Burbank or Burroughs.

The Tartars drew the first blood in last Friday night's affair when Jack Taylor set it up on the one-yard line and went over on the next play to score in the first 57 seconds of play. Dick Turner made the conversion.

Turner went over in the third quarter from the three-yard line for Torrance's second score. He followed through with a boot that was good for another point.

Torrance's third tally came at the end of a 57-yard run by Buddy Licht who took a shuttle pass from brother Jack.

It was a dream come true for Tackle Dick Oeffinger, who intercepted a pass near the 50-yard marker and romped half the length of the field to score Torrance's fourth touchdown of the evening. Turner again made good the boot.

## Torrance Guns For 2nd Win

After the Tartars' 27-18 victory over Covina last Friday night, Coach Eddie Cole was faced this week with finding a preventive for a malady that has threatened to weaken Torrance's chances of making it two straight against John Burroughs of Burbank this Saturday night.

Cole has dubbed the not-too-rare disease as Backfield Biggerheads!

"We played good ball against Covina. Everybody who saw the game knows that. And so does our backfield!"

## Rogers at Helm as Three Left on Forecast Dock

A rejuvenated Tartar Varsity sailed into the Covina Varsity last Friday (27-18) and left three of the pre-game prognosticators standing on the dock.

In fact Chief of Police John Stroh, who picked Covina by 14 points, barely got a foot onto

the dock, he missed the boat so far. Judge Otto B. Willett with his guess of Covina and 13 was about midway up the pier when the boat sailed. Jack Baldwin, Torrance Herald Sports Editor, and his forecast of Covina by 12 points, had a glimpse of the boat as it dropped over the horizon.

Everybody else was aboard the Tartar craft.

Ray Rogers, who has watched three of his sons win big "T's" at Torrance came the closest with his guess of Torrance by seven points.

Here's the order in which the nine Pigskin Prognosticators finished:

## George Winters to Travel With Fresno Varsity

George Winters, a former Torrance High School and Compton College football star, is one of the leading candidates for the 1948 Fresno State College football varsity, according to college authorities.

Winters, a tackle, has been slowed by a knee injury in early practices at Fresno State, but was named to the traveling squad for the Bulldogs first game, with Portland University in Portland, Oregon, and is expected to see a great deal of action as the season progresses.

The big tackle played two years of varsity football at Torrance High School and was a line star for two seasons at Compton. He was one of the outstanding men on the field in the 1947 Compton victory over Kilgore, Texas, Junior College in the Little Rose Bowl game.

Winters is a P. E. major at Fresno State.

touchdown of the evening. Turner again made good the boot.

Torrance	Covina	Diff.
Rogers	7	2
Shidler	13	3
Tolson, Jr.	12	3
Turner	6	3
Isbell	13	4
Briggs	14	5
Baldwin	12	LOD*
Willett	13	LOD*
Stroh	11	LOD*

"Left On Dock." After watching the Tartars perform last Friday night and seeing what they are capable of doing almost everyone seems to be safeguarding against missing the boat on the John Burroughs of Burbank game by picking Torrance. Here is the forecast for Friday's game at Leuzinger stadium:

Turner—Torrance by 7.  
Stroh—Torrance by 7.  
Briggs—Torrance by 10.  
Rogers—Torrance by 13.  
Baldwin—Burroughs by 6.  
Tolson—Torrance by 16.  
Isbell—Torrance by 18.  
Shidler—Torrance by 20.  
Willett—Torrance by 21.

## Dub Loop Moves Under Lights at Torrance Park

Games remaining to be played in the Torrance Workmen Recreation Softball League have been transferred from Fern Avenue Park to the Torrance City Park.

The change was made necessary by the fact that the teams were unable to complete their twilight games at the Fern Avenue site before dark. The change also makes it possible for more players to participate due to a later starting time. First games being billed for 6:30 p.m., instead of 5:30 p.m., starting time in effect in the twilight program.

Second games will start immediately following the completion of the first games at approximately 8 p.m.

Next Monday the Keystone Oilers tangle with the Amstans in the curtain raiser and the Johns Club cross bats with the Torrance Optimists Club in the nightcap. On Tuesday only one game will be played when Amstan meets the General Petroleum Meter Shop team. These teams battled it out for the first round title and may repeat the performance in the second round as neither team has suffered a loss, up to this writing.

**RESULTS**  
Mayfair—7; Keystone—0.  
Johns Club—0; G. P. Meter Shop—7.  
Optimist Club—12; Keystone Oilers—1.  
Johns Club—20; Mayfair—0.  
Optimist Club—2; Amstan—12.  
G. P. Meter Shop—14; Mayfair—0.

## El Camino Grid Warriors Dig in for Taft Game

El Camino's Warriors opened an old wound upon the scalp of Ventura at the Sea Hawk stadium in Redondo Beach when they buried the hatchet into Ventura for the second time last Saturday night.

Cecil Schmechel, Warrior quarterback, went over from the 1-yard line in the second period to score the only tally of the ball game.

Last year's contest, the first football game for the then newly-formed El Camino, was won by the Warriors, 7-0.

However, now that Coach Amby Schindler has successfully won the battle of Ventura the former U.S.C. gridiron great is mapping strategy that will throw a "snow job" on Taft Jaycee Saturday night at Sentinel Field in Inglewood.

Last year Taft fell before the onslaught of the Warriors, 45-6 but their '48 debut against San Bernardino indicates a lot more strength. Although they lost to San Berdo it was by only one point.

For sundry reasons but mainly because he is "coming right along", it appears that "Socko" Torres, Redondo Beach High School's slippery oel, will get a lot of time in the quarterback spot in Saturday's game.

With Taft increasing its power and El Camino losing a little strength the contest is likely to be a close one. Wyatt Golliday, 230-pound letterman from last year, will be out of the contest as will be Leonard Edwards, quarterback, with a stretched chest muscle.

## Beverly vs. Loyola

At Gilmore Stadium 3,000 fans saw Quarterback O'Leary and Right Halfback Shimizu go over for two touchdowns apiece. They also saw Loyola cross the goal line on five occasions to triumph over Beverly, 32-27. O'Leary accounted for two after-touchdown points while Fullback Van Sant received credit for the other single-point tally.

Santa Monica, defending CIF Champs, felt the first sting of defeat this season as administered by Alhambra who romped over Samohi, 18-6 on the loser's gridiron. Santa Monica's lone score was by Fullback Loyola.

El Segundo, and their new coach, Frank Cravens, watched the weekend's activities from the sidelines. Their first game of the '48 season will be played this Friday afternoon against Santa Paula on El Segundo's field.

## Summary

Torrance, 27; Covina, 18.

## J. T. Says!

The other night a fellow and his wife could buy and sell me a hundred times came in for dinner.

Well, during desert I came over to apologize for the worn booth seats that haven't been fixed yet. He turned to me and said, "Forget it! You can't tell a book by its cover and you can't eat fancy fixturs. Just as long as you keep on serving the best food in Torrance... we'll be in often!"

That was right nice of him. I'm glad folks feel that way till we get squared away.
