MY SON left for school in Northern California and asked me to sell his 1938 Ford sedan. It is not much of a car to look at, the inside upholstery is torn in a dozen spots, the front grill is all bent in... but by heck he swears it's the best car in Mere motor. Price isn't important, but a good home with loving care is sought for this faithful friend. If you can qualify and have a small amount of dough, maybe we can deal. My wife doesn't know any thing about cars, but she will show it to you when I'm not home at 2404 Gramercy Ave., Torrance.
