The 1949 Christmas Seal depicts a dove in flight, bearing the traditional Christmas holly. It symbolizes man's hope for a better, healthier world.

Those who do not go to war roar like lions. —KURD

Two barrels of tears will not heal a bruise.

He who builds according to every man's advice will have a crooked house.

'Women Continue to Gain Place in Public Office'

Women should certainly give thanks on this 1949 Thanksgiving for the growing recognition and acceptance of women's capabilities," Dr. K. Frances Scott, of Northampton, Mass., told the 165,000 members of the National Federation of Business & Professional Women's Clubs, Inc., in her Thanksgiving message to them as their National President.

"I want to call to your attention," Dr. Scott's message continued, "that more and more qualified women are winning a place in public life, especially in public office this year. We have added to the roll a Minister to Luxembourg, an Ambassador to

'HOSTILITY FACET OF LOVE,' SAYS EXPERT

All real love, as you may have discovered, is sometimes mixed with ugly emotions. Here is the reason why," says a leading marriage consultant.

"There are five faces of love," writes Murray Campbell in the Woman's Home Companion. "They are affection, hate, submissiveness, hostility and jealousy. And in every normal relationship we find some or all of these emotions."

"No love in the world can wear the tender face of affection all of the time," continued Mr. Campbell. "It is only the person who shows the four unpleasant faces all of the time or the person who can't show them at all, who is neurotic."

So ladies, the next time your husband gets on your nerves, remember it is perfectly natural for you to feel hostile, once in a while. And you might keep in mind that occasionally your husband feels the same toward you.
