Fast Electric HAIR DRYER
 This efficient hair dryer will save you many minutes after a shampoo and lessen the chance of your catching cold. The air is blown over a genuine aluminum heating element which heats air faster. Handle is always cool and there is a wide brush safety guard at the end of the motor.

SANTA'S HERE

Mom and Pop Please NOTE:

Look who's come down our Christmas Chimney. It's SANTA CLAUS HIMSELF! Settled on his big throne and waiting for all the little boys and girls! He is here to help them plan just what they want... to help them fill their Christmas stockings. And while they are here he wants them to see all the Toys he has brought to PAY-LESS from his wonderful workshop. And while the kiddies are here, one of Santa's helpers has his camera ready to take a picture of their visit with Jolly Mr. Claus.
