

City League Playoff Saturday

If you get excited over photo finishes you would have popped a valve at the window of the city basketball "blue" league first half race. And the biggest pop is yet to come.

The Harbor Hospital Doctors' team meets the fightin' five of Lovelady Hardware Saturday night at the local high school gymnasium in a playoff play-off to untangle the knot at the top of the Wednesday league standings.

The regular first round schedule ended last week with the Doctors, the Loveladies and Columbia Steel tied for the lead.

Rain-Soaked Jalopies To Bounce in Carrell Speedway Meet Sunday

The jalopy racing program scheduled for the past two Sundays but rained out will take place next Sunday afternoon at Carrell Speedway barring another misunderstanding between Racing Director, Bill White, and the weather man.

The same 7-event program is billed which includes 3-lap trophy dash, three 6-lap heats, an 8-lap consolation feature in which most of the fifty cars compete, the 10-lap semi-main and the 25-lap main event in which the thirty fastest qualifiers participate. The dash starts at 2 p.m. promptly immediately following the time trials which begin at noon.

each with a 3-2 record. Closeness of the race was also manifested in the standings which showed the remaining three teams tied, in effect, for second place with 2-3 records.

The fight for the lead resolved

Tribe Takes Second Conference Win, 49-44, Against San Diego

As 400 spectators watched breathlessly, Coach John Morrow's El Camino cage quint downed San Diego 49-44 in overtime last Friday on the Leuzinger floor.

The victory was El Camino's second in Metropolitan Conference play. Harbor fell before the potent Warriors 42-38 two weeks ago. El Camino is current Fuller's 18 points highlighted by resting in first place with East L.A. close behind. On Friday the Warriors travel to Bakersfield for their third conference tilt.

After racing to a 25-21 intermission lead, the Warriors fell apart in the closing minutes. San Diego closed the gap and then took a one-point advantage in the last minute. Len Erickson caged a free throw to send the game into overtime with two seconds remaining to play.

Ed Kennedy connected for a field goal in the first minute of overtime. George Naumann hit for a free throw in the last 15 seconds and Erickson hooked in a bucket to give the Warriors the margin of victory.

Erickson caged 13 points for individual scoring honors. Henry

walked into the first round title without encombrances if it had not been for the spoilers from the Greater Torrance Market who whipped the Harwardemen 28-26 in the last game of the regular first round schedule.

Lloyd Van Valer led in the upset by scoring 10 points from his forward slot.

The Harbor Hospital Doctors gained their right to action in the playoff, by dumping Columbia Steel 33 to 27 in a special preliminary setto Monday night.

The Loveladies would have both hit for eight points to carry Walteria Businessmen to a thrilling 26-25 win over Redondo Sea Food in the other Wednesday night game.

With two conference victories tucked under their belts, Coach John Morrow's El Camino basketball five treks to Bakersfield for an all-important league clash Friday night.

Morrow will count on Hap Jacobs, Hugh Corrigan, Len Erickson, Ed Kennedy, and Ken Kesson to start against the potent Renegades.

Revenge will feature in the contest. Last year, the Renegades came from behind to win and knock the Warriors out of the championship.

Dick Zwainz, George Naumann, Paul Field, Jim Cline, Paul Smith, and Jim Foxworthy will also make the trip and should see action.
