Big El Camino Building Job Gets Launching

Student leaders from several high schools and junior colleges took part in ground breaking ceremonies for the new \$414,000 Student Union and Cafeteria Building at El Camino College yesterday. Delmar Gilkeson, El Camino student body president acted as master of ceremonies.

Following the ground breaking ceremonies, the visiting student dignitaries were feted at a luncheon. Color motion pictures recorded the dedication activities. Taking part in the event were Robert Russell, president of the college board of trustees, Forrest G. Murdock, president of the college, and H. J. Sheffield, director of student personnel.

Construction work on the new building will begin immediately. It is expected to be completed by next September. The building, to be of reinforced concrete, will provide cafeteria facilities, a student lounge, student offices, a walled patio, a soda fountain, and other facilities including a student store.

CHECK ARRIVES . . . Mary Tibbetts, Bobbie Fitzgibbon, and Bonnie Clappitt seemed to have it all figured out just what Lowell Beckman, 24 year old employee of American Standard, should do with his \$176 insurance dividend. Beckman, a veteran of 31 months in the Navy Air Corps, was one of the first veterans in the area to receive a "kick-back" on his insurance premiums.

BB Gun Outbreak Flares in Riviera

An outbreak of BB gun terrorism was reported in Hollywood Riviera last week when two residents told police that holes had been shot in their windows.

Victims were Charles Gruff of 205 Via Buena Ventura, and H. S. Gray, 282 Calle de Madrid. They told officers that the shots were directed at their homes from a dark sedan.
