

Tartar Cinder Eaters Win First Track Meet Since School Formed

Class C 180 Yard Dash Toppled By Freshman

The Tartar cinder artists swept all classes this week as they won their first varsity track meet since Torrance separated from the Los Angeles School System in 1947.

The school Class C record for the 180-yard dash also fell during the meet with St. Anthony's of Long Beach.

The Cee 180-yard dash record of 21 seconds flat, set by Bob Schmidt in 1948, was broken by Freshman Harry Baylis, who set up a new mark of 19.9. Track Coach Rex Welch said the mark, although accepted, would be considered unofficial because a strong wind aided Baylis. Baylis is also undefeated this year in the Cee 100-yard dash when he did this week in 11.1. Although Saint Anthony's is

not counted a strong adversary. Coaches Rex Welch and Eddie Cole were quite confident of the outcome of today's meet with Rosemead. Rosemead is a large school and a strong one, but both local coaches agree that this year's Tartar crew is the best in at least four years.

Purely in the realm of field events, both coaches and his teammates are watching Jack O'Callin's prowess with the pole. He had previously bettered his high mark of 9' 9" of last year, and this week topped the rod at 10' 6", not near a record, but pretty good for a Cee- and he is leading the entire Bay League in all classes.

A baseball game was to have been played in conjunction with the track meet, but the St. Anthony's team forgot the date, so Tad Mimura, who ordinarily plays on the Tartar nine, went out instead and won two events for the Cees, the 120-yard high hurdles and the broad jump.

The scores follow:
Class A
70-yard high hurdles: Stock, T.; Ruth T. Costa, T.; 0.6.
100-yard dash: Baker, T.; Laursen, S. A.; Dandoy, T.; 10.04.
Broad jump: Wernett, T.; Groves, T.; Arthur, S. A.; 35' 5 1/2".
1 Mile: Mittan, T.; Valencia, T.; Brown, S. A.; 7:07.
40-yard: Kelly, T.; Price, S. A.; Moore, T.; 1:7.
High jump: Wernett, T.; Higgins, T.; Groves, T.; 5' 4".
120-yard low hurdles: Costa, T.

Mellvaine Helps Pitch Warriors Into Lead Ties

Sparked by fine pitching efforts on the part of Jim Cline and Jerry Mellvaine, Coach Doug Essick's El Camino baseballers captured two Metropolitan Conference baseball victories last Friday and Saturday, when they tripped Bakersfield 8 to 3 and Santa Monica 6 to 2 in tilts played on the Alondra diamond. The locals are now in a four-way tie for the Conference lead.

The locals tangle with strong Valley JC on the latter's diamond Friday afternoon and return home to play San Diego on Saturday. Game time is 10 a.m.

Line scores:
Bakersfield 000 101 001—3 6 5
El Camino 000 000—0 10 2
Eastridge and Johns: Cline and McKinney.
Santa Monica 000 002 001—3 4 3
El Camino 200 022 022—6 9 9
Harris and Lindberg: Mellvaine and McKinney.

Pigskin Warriors List Schedule For Season

Six of El Camino's ten 1950 season football games will be played at El Camino's new \$200,000 stadium. The home game will be played at night, kick-off time at eight o'clock, with the exception of the Thanksgiving day game, which will be played at 12:00 noon.

The Warrior squad will open the season at home, playing Orange Coast College on Friday, September 22, in a non-conference game. It will be the second game to be witnessed at the new Warrior stadium.

The second game, on Saturday, September 30, will also be played at home. The Caminians will meet Harbor College in a Metro conference game. Harbor is a new entry in the conference. Another conference game will be played with San Diego Junior College, at the border city, during the following weekend. In the following week the Warriors will journey to Bakersfield. They will play the Bakersfield College Renegades on Friday, October 13, in a conference game.

El Camino's third home game will be played on Saturday, October 21, with Cal. Poly (San Dimas), a four-year college which fielded several ex-El Camino gridders during the last season. The boys from Alondra Park won the meet between the two colleges last season in a game played at Covina. Another non-conference game will be played at Modesto on Friday, October 27. The Camino squad will probably travel to the Modesto game by air, as they did when they played there in 1948.

Long Beach City College, another new Metro conference entry, is also on the '50 Warrior docket. The game will be played at Long Beach on the weekend of November 3. Long Beach will not be playing for Metro championship honors, as it dropped from the Western States Conference after the '50 Metro schedule was made up.

On Armistice day, November 11, the Warriors will return to their home field to play a conference game with Santa Monica City College. Another home game (non-conference) will be played with Grant Tech. from Sacramento, on Saturday, November 18.

The tenth and last game on the El Camino schedule is the Thanksgiving day game to be played at 12 noon. In a conference game, the Caminians will meet the Huskies from East Los Angeles College, last year's conference winners. The Huskies won the game last year by a narrow margin of 6.0 in the stadium dedication and homecoming game.

"don't fret, son—we're usin' Mobilgas!"

22.07 MILES PER GALLON WITH MOBILGAS
—is the amazing average of 31 different makes and models of American cars participating in the famous Mobilgas Grand Canyon Economy Run.

Staged over a rugged 751-mile course between Los Angeles and Grand Canyon, the Mobilgas Economy Run demonstrated the power and mileage characteristics of Mobilgas—both regular and Special (premium) grades, as selected by the drivers of the 31 cars. All cars were certified strictly stock by the American Automobile Association.

As demonstrated in the tough Mobilgas Grand Canyon Economy Run... one of these two is best for you:
MOBILGAS—Most of the cars now in service, including many 1950 models, will give mileage, power and anti-knock performance—without standing economy—when Mobilgas is used. If your car runs knock-free on Mobilgas, save the difference.
MOBILGAS SPECIAL—Cars with extra-high compression engines, or cars which knock due to poor mechanical adjustment, will perform better on Mobilgas Special. If your car knocks on the gasoline you are now using... be money ahead by switching to Mobilgas Special (premium).
