

Remodeling Work Not to Delay Opening of Frank's Furniture

Come what may on Friday, April 7, at 9:30 in the morning Frank's Furniture store will open—with or without the consent of the carpenters and redecorators, according to Frank Dominguez, manager.

Dominguez, former manager of the El Prado Furniture store, said that although remodeling the exterior of the new store at 1334 El Prado (formerly McCown Drug Store) is not expected to be completed by the Grand Opening date all other arrangements have been completed for the gala opening. Free orchids will be given away to all lady visitors to the store on opening day.

To one of those who visit the store during the first week will go a prize form ricker—to be awarded on April 15.

With Dominguez in the new undertaking are: T. C. Hanni, Rolan Sperry, salesman; Mrs. Winona Hanni, bookkeeper; Mrs. Fern Dominguez, assistant bookkeeper; Allan Moore, installations and repairs; and Frank Jr. and Bill Dominguez, sales and delivery.

Manager Dominguez will have on display a wide variety of modern household furnishings for all rooms of the house.

Still under construction is a 2000-square foot mezzanine which will be devoted exclusively to the display of Maple Furnishings. Hayward Wakefield maple will be featured, Dominguez said.

Also on display in the new store is a complete line of wheel chair, walkers, beds, and sun lamps.

A special "live demonstration" section has been provided where washing machines, electric and gas stoves can be demonstrated from the display floor.

"If the ladies would like to see how our new automatic Laundromat or Maytag washing machines operate tell them to bring in their soiled clothes and we will give them a free demonstration."

Another feature of the store is a large "see-it-all" display of mattresses.

The store will remain open from 9:30 a. m. until 9 p. m. both Friday and Saturday.
