

**THIRTY-SECOND NATIONAL CONVENTION REGISTRATION TICKET**

ATTENTION! . . . all you Legionnaires. They're making noises downtown like they want you boys to get busy and register for the huge convention scheduled to be held in Los Angeles Oct. 9 through 12. The deadline for preferred registration is Sept. 1, they report. To draw your attention to the registration ticket, they lanned one up and took a picture of it—get the idea?

**LONGEST SYSTEM**  
From its source to its junction with the Mississippi, the Missouri river is 2,945 miles long. Their combined length exceeds any other river system.

**COAL BY-PRODUCTS**  
One ton of bituminous coking coal yields approximately 1,400 pounds of coke, 11,000 cubic feet of gas, 7.8 gallons of tar, 2.8 gallons of light oils, and other crude substances.

**QUALITY MEAT**

**at BUDGET-BALANCING PRICES**

The dollars you spend for meats are the most important part of the weekly food budget—and they always stretch farther at Carson Mart! And here's why—first, they buy quality meat—tender, juicy, flavorful. Second, they buy more good meat per pound because excess bone and fat are trimmed away BEFORE weighing. Third, our meats are thrice-priced low every day to balance your budget while you balance your meals with more meat.

**Warrior Gridders Report Aug. 30**

El Camino College grid hopefuls will report for physical exams August 30 and 31 from 2 to 6 p.m., head Warrior coach Amby Schindler announced today. Practice will begin September 1.

Squad is uncertain, according to Schindler, because of the draft status of some returning squad members. He hopes to have such veterans as Ron Skrifloff, Paul Held, Larry Olen, Dick Oefinger, Don Jurk, Dick Donges, and Ray Carver. The loss of

"Sookie" Torres and Jim Sears through graduation will leave big holes in the backfield. Squad members will begin serious practice Friday, September 1, from 9 a.m. to 12 noon and from 2 to 5 p.m. Tentative plans call for a practice game with the El Camino Alumni on September 15 in the newly completed stadium.

**Steel Hour Concert**

The U. S. Steel hour will present Antal Dorati, colorful symphonic director, and Robert Merrill, Metropolitan Opera baritone, with the NBC Symphony Orchestra, August 27 summer concert, via stations of the National Broadcasting Company network at 8:30 p.m.

**Tunamen Out of Second Tourney, Enter Another**

Star-Kist Tuna, the No. 1 San Pedro team who got knocked out of the tourney here last Thursday by Hague & Thomas of Inglewood, bowed out of the ASA tournament in Monterey Park the following night. The loss ruled them out of a tournament in Alhambra.

any consideration for a spot in the World Series to be staged in Austin, Tex., next month. Not an easy bunch to discourage, however, the Tunamen began play Sunday evening in a tournament in Alhambra.
