Honest Values . . . Honestly Advertised!

You're Sure of the QUALITY, too, When You Shop at A&P!

You'll find the foods at A&P to be exactly as they're described in the ads—no inferior quality meats, produce, or groceries are used as "specials"—our advertised values represent the finest quality we can offer for the price. Prices are low at A&P, yes . . . but we never sacrifice quality. Come in, see for yourself.

Customers' Corner

Did you ever wonder what treatment is given the letters you write to Customers' Corner?

Here's what happens to every letter received:

1. The letter is referred to the particular department or store involved for their study and reaction.
2. Once we get the necessary information your letter is answered.
3. If the subject is too complicated to be covered fully in a letter, a company representative visits you.
4. Your comments and suggestions are added to those of other customers to give us a better picture of what our customers want.

In other words, each letter is given the most careful consideration.

Won't you let us have your suggestions as to how we can make your A&P a better place to shop? Please write:
