Customers'
Corner

Because they want your A&P to become a better place to shop, our loyal employees are never completely satisfied with the job they are doing.

That is why all of us at A&P are constantly checking up on ourselves to be sure of three things:

- Our prices are right.
- Our quality is high.
- Our service is good.

Will you help the men and women in your A&P by letting us know how we rate on these points?
