Customers' Corner

It takes teamwork among a lot of people to operate your A&P store.

First, there are the farmers and manufacturers who grow and process the foods we sell, and our skilled buyers who purchase them.

Then there are the thousands of people behind the scenes who operate our warehousing and delivery facilities.

And finally, there are the fine, loyal men and women in our stores who, day in and day out, are striving to make your A&P a better place to shop.

You can help this team serve you by telling us how you think we can improve your A&P. Please write:
