**Customers' Corner**

It's 91 years since we opened our first store.

We're proud of the fact that down through the years our customers have shown, by their patronage, their approval of our low-cost, low-profit policy.

But we are prouder of our conviction that right now A&P is serving you better than ever before.

Our stores are better; the quality and variety of our food is greater; and we have the finest, best trained group of employees in our history.

But we are not content to rest on our oars.

We will appreciate any suggestions you may have for making your A&P a better place to shop. Please write:
