Leather Craft Classes Teach Gift Making

Designed to help students make simple, inexpensive, yet attractive gifts is the aim of two leather craft classes now being offered under the Adult School program.

The Monday night class is held at 7 o'clock at the Seaside Elementary School in Seaside Ranchos. Instructor John Cavanagh has students working on individual projects in which they are most interested—leather belts, wallets, pocketbooks, key containers, bill folds and house ornaments. These gifts, which can satisfy not only the maker but virtually all members of the family, carry the distinction of the personality of the maker.

The Tuesday night class at Torrance High School is held in room 202 at 7 o'clock with Larry Elder as instructor. With several years of experience in the leathermaking and copper tooling trade, Elder not only teaches students the art of leathercraft, but also short cuts in making expensive gifts inexpensively. He places stress on vocational training and welcomes students to learn leathercraft and copper tooling as a trade, so that they can make pocket money or full time money, should the occasion demand.

BOARD SUES TO RECOVER SITE COSTS

The county counsel has been instructed by the administration of the Torrance Unified School District to bring suit against The Sunhaven Properties Incorporated for \$25,322.

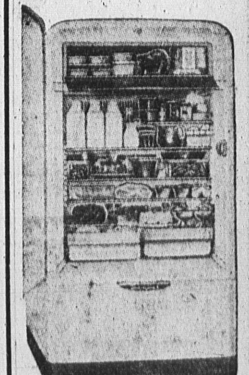

The local school board is in possession of a letter dated May 25, 1948 in which the company, at that time headed by Rudolph W. Mayer, brother of the movie producer, Louis B., agreed to bear full cost of procuring a 10-acre tract of land for the new Riviera School.

After two years of negotiations the Board of Education recently obtained the site and is now suing to recover the purchase price.

HERE! NEW Servel

Can Be Bought on Low Down Payments! Low Monthly Terms!

ONLY THE 66 REFRIGERATOR STAYS SILENT, LASTS LONGER

Come see the famous Servel Gas Refrigerator — only refrigerator that stays silent, lasts longer. Its freezing system has no moving parts. Just a tiny gas flame does the work.

Over 2,000,000 have Servels (many of them 18 and 20 years). They say, "Pick Servel. It stays noise-free, wear-free."
