

CHARMING IS THE ONLY WORD

that can be used to describe this colorful 2-story home, located in Harbor City. Visualize, if you can, a nice living room with parquet flooring, colorful walls, and a picturesque fireplace. The delightful step-saving kitchen is CHARMING. 2-bedrooms on second floor with their pitched ceilings are sleep-inducing and cozy. This CHARMING home is on a 40 X 150 ft. lot, with a huge double garage and a side drive. Even the price is charming, only \$6950. Pay only \$32.50 per month. Ain't that CHARMING?

IT'S A PEACH

Yes, this 3-bedroom home is just that, it dazzles the eye with its shining hardwood floors and its gleaming tile. Decorated inside and out with exquisite taste, its thermostat control floor furnace is deeply located to guarantee an even heat to every room. The rear yard will keep you in fruit the year around, with the yield from five peach trees, one apricot tree, grapefruit, tangerine and an orange tree. The double garage has a room above it that can easily be used as a den, rumpus room or for that matter even another large bedroom. This home is perfect for a large family. The Halipale School is only 3 doors away. Full price only \$9500. Terms.

A HOME WITH A FUTURE

Here's one of the homes that "Jack Built" with a growing family in mind. At present it is a well-planned 2-bedroom home, but it can be made to grow, as your family grows. The attached garage can be very inexpensively converted to a third bedroom or rumpus room as you desire. There is a side entrance as well as an alley entrance to give you access to a garage in the rear yard. Truly a home with a future. Only \$1900 down and 4% interest on the balance.
