FRESH OFF THE PRESS... is the new edition of the Sherwin-Williams Paint and Color Style Guide now available at the local Sherwin-Williams paint store on Cabrillo avenue.

New Color Style Guide Available At Paint Store

The 1951 edition of the Sherwin-Williams Paint and Color Style Guide, colorful reference book for homemakers, is now on display in Torrance at the Sherwin-Williams store, it was announced today by manager W. N. Harrold.

Acclaimed by "home stylists," the new edition of the Style Guide is a treasure house of practical helps in the home decorating field.

Hundreds of spectacular full-color photos of actual homes, interiors and exteriors, parade through the book's 100 pages. The giant page, size 11 1/2 x 16 inches, lends the impression of a real home. Edited by the Sherwin-Williams Decorative Studios, the book introduces homemakers to amazing advances in the realm of home decoration.

Actual Homes Featured
The new Style Guide brings fruits of paint and color to the homemaker's

threshold," commented Harrold. "Designed as a practical reference book, it not only shows the beauty and charm of existing homes but gives expert information on how to achieve the color harmony featured on its pages."

The Style Guide presents a variety of new color combinations for every room in the home. Intriguing, up-to-date color ranges from dramatic deep tones to delicate pastels.

Seventeen pages are devoted to living rooms, 16 to dining rooms, 16 to bedrooms, a dozen pages to kitchens, 10 to bathrooms, 12 to recreation rooms, hallways and utility rooms. Seven pages show home exterior colors.

The Style Guide features many versatile new paint products which eliminate guesswork from home decorating. Homemakers may consult the book at the Torrance Sherwin-Williams store or arrange to study a copy at home.

Supervisors OK Hot Dog Stand In Alondra Park

Supervisor Raymond V. Darby March 27 announced approval by the Board of Supervisors of a food concession in Alondra Park. At the same time County Counsel Harold Kennedy was instructed to prepare a notice of sale.

Complaints caused by open playing in the park and surrounding the street to buy food spurred efforts to establish the concession to sell soft drinks and candy as well as food.

The terms of the agreement will be for a ten-year lease, Darby said, with provisions that the concessionaire provide and erect the building at his own expense, and provide and pay for all utilities.

The location will be determined by both the Parks and Recreation Department and the successful bidder. The minimum bid acceptable will be for \$100, and the building will become the property of the County at the termination of the agreement.

Upon approval by the Board of the notice of sale, advertisements will be published for receipt of bids.
